

WELL-BEING ASSESSMENT TEMPLATE

Project Description (key aims):

GAMBLING FEES

The Licensing team is proposing new fees for Gambling premises from 1st August 2017 – 31st July 2018

Section 1) Complete the table below to assess it is those licensing policies how well you have applied the 5 ways of working.

Integration

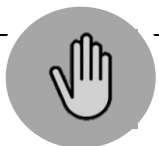

This report relates to fees for statutory work carried out by the Authority

There are no conflicts with the objectives of the council, as these proposals relate to fees for statutory functions carried out by the authority

Long-term

This report relates to fees for the forthcoming year which are, by their very nature, short term.

This proposal aims to strengthen our licensing functions, which set out to support local communities and businesses, by ensuring that the fee

Prevention	<i>income generated for the authority is maximised and that the resources to deliver this statutory function are therefore protected.</i>
 Collaboration	<i>This proposal relates to fees for statutory functions, and further collaboration is not therefore required</i>
 Involvement	<i>This proposal relates to fees for statutory functions, and the legislation and guidance on fee-setting has been fully complied with. Consultation with affected businesses and other stakeholders is not required or appropriate.</i>

Section 2) Assess how well your project / activity will result in multiple benefits for our communities and contribute to the national well-being goals (use Appendix 1 to help you).		
Description of the Well-being goals	How will your project / activity deliver benefits to our communities under the national well-being goals?	Is there anyway to maximise the benefits or minimise any negative impacts to our communities (and the contribution to the national well-being goals)?
<p>A prosperous Wales</p> <p>An innovative, productive and low carbon society which recognises the limits of the global environment and therefore uses resources efficiently and proportionately (including acting on climate change); and which develops a skilled and well-educated population in an economy which generates wealth and provides employment opportunities, allowing people to take advantage of the wealth generated through securing decent work.</p>	<p>This proposal does not directly relate to these well-being aims. However, it supports the licensing function of the authority, designed to protect communities and support businesses</p>	<p>This is a supporting activity only, and does not directly relate to or support well being goals</p>
<p>A resilient Wales</p> <p>A nation which maintains and enhances a biodiverse natural environment with healthy functioning ecosystems that support social, economic and ecological resilience and the capacity to adapt to change (for example climate change).</p>	<p>This proposal does not directly relate to these well-being aims. However, it supports the licensing function of the authority, designed to protect communities and support businesses</p>	<p>This is a supporting activity only, and does not directly relate to or support well being goals</p>

<p>A healthier Wales</p> <p>A society in which people’s physical and mental well-being is maximised and in which choices and behaviours that benefit future health are understood.</p>	<p>This proposal does not directly relate to these well-being aims. However, it supports the licensing function of the authority, designed to protect communities and support businesses</p>	<p>This is a supporting activity only, and does not directly relate to or support well being goals</p>
<p>A more equal Wales</p> <p>A society that enables people to fulfil their potential no matter what their background or circumstances (including their socio economic background and circumstances).</p>	<p>This proposal does not directly relate to these well-being aims. However, it supports the licensing function of the authority, designed to protect communities and support businesses</p>	<p>This is a supporting activity only, and does not directly relate to or support well being goals</p>
<p>A Wales of cohesive communities Attractive, viable, safe and well-connected communities.</p>	<p>This proposal does not directly relate to these well-being aims. However, it supports the licensing function of the authority, designed to protect communities and support businesses</p>	<p>This is a supporting activity only, and does not directly relate to or support well being goals</p>
<p>A Wales of vibrant culture and thriving Welsh language</p> <p>A society that promotes and protects culture, heritage and the Welsh language, and which encourages people to participate in the arts, and sports and recreation.</p>	<p>This proposal does not directly relate to these well-being aims. However, it supports the licensing function of the authority, designed to protect communities and support businesses</p>	<p>This is a supporting activity only, and does not directly relate to or support well being goals</p>
<p>A globally responsible Wales</p> <p>A nation which, when doing anything to improve the economic, social, environmental and cultural well-being of Wales, takes account of whether doing such a thing may make a positive contribution to global well-being.</p>	<p>This proposal does not directly relate to these well-being aims. However, it supports the licensing function of the authority, designed to protect communities and support businesses</p>	<p>This is a supporting activity only, and does not directly relate to or support well being goals</p>

Section 3) Identify decision meetings for project/ activity e.g. Cabinet, Council or delegated decisions taken by Executive Members and / or Chief Officers.

This proposal will be agreed by the appropriate Chief Officer
