The convenience store was located inside ‘The Venue’ club building and permission had been granted by the Council’s Planning Team to reconfigure the internal area of existing club building to allow the convenience store to be incorporated.</p>	

The Team Manager continued that an application to vary the existing premises licence in respect of the club to identify this change had also been submitted to the Licensing Team for determination. As a result of the reconfiguration the existing club would retain its original entrance at the side of the building and the new convenience store would have a new entrance at the front of the building. There would be no access to either licensed premises from the other.

The Team Manager advised that the Applicant wished to provide licensable activities, supply of alcohol at the premises Monday to Sunday between the hours of 08.00 am – 10.00 pm. The proposed opening times of the premises would be Monday to Sunday 08.00 am – 10.00 pm.

In accordance with the Licensing Act 2003, as part of the consultation process, the Applicant had a duty to send copies of the application to Responsible Authorities. Therefore, consultation has been carried out with Gwent Police, South Wales Fire and Rescue Service, Immigration Service, Blaenau Gwent County Borough Council Trading Standards, Licensing Enforcement Officers, Planning, Environmental Health, Social Services departments and Aneurin Bevan Health Board. In addition, the Applicant placed a notice of the application at the premises for 28 days to enable Other Persons, i.e. local residents and businesses, to make representations, a notice was placed on the authorities website, also a notice was also published in the Gwent Gazette within 10 days of the date the application was received. There had been no representations received from South Wales Fire and Rescue Service, Immigration Service, Blaenau Gwent County Borough Council Trading Standards, Licensing Enforcement Officers, Planning and Environmental Health. However, it was noted that representations had been received from Gwent Police.

---

The Team Manager advised that the representations made by Gwent Police had been withdrawn as the Applicant agreed to include the conditions recommended by Gwent Police as detailed in the report.

In conclusion, the Team Manager advised that in considering this application the Sub-Committee must take account of the provisions in the Licensing Act 2003, in particular, the licensing objectives which are:-

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm.

The guidance issued by the Home Office under section 182 of the Act and the Council's licensing policy must be taken into account when considering this application.

The Team Manager thereupon referred the Sub-Committee to the options for recommendations as follows:-

- to grant the licence subject to the conditions consistent with the operating schedule;
- to modify the conditions on the licence to the extent considered appropriate for the promotion of the licensing objectives;
- to exclude a licensable activity from the scope of the licence;
- to refuse to specify a person as a designated premises supervisor; or
- to reject the application

The Chair thanked the Team Manager for the overview of the report and invited the Applicant to present his case.

Mr. Dixon reported that Mr. & Mrs Adlam was business owners of another shop in the area and therefore it was felt they were objecting to the application in the interest of their business.

---

---

Mr. Dixon advised that the reason for the application had been to include a separate convenience store within the existing premises. Mr. Dixon advised that Mr. Sangha was the owner of the premises and had run a social club for many years with no breaches in the licence. Therefore, Mr. Sangha had wished to renovate the building to include an off-licence to run as a business.

At this juncture, the Chair invited the objectors to address the Sub-Committee.

Mr. Adlam firstly wished to report that he was objecting as a resident of Garnlydan and not as a business owner. Mr. Adlam thereupon read the statement which had been submitted against the application as detailed in the report.

Mr. Adlam, Objector raised a number of issues which the Chair and Local Authority Solicitor confirmed were not relevant to the application and did not meet the licensing objectives.

Mrs. Adlam, Objector felt that another off licence within the Estate would increase the availability of alcohol and could attract young people to the area with an increased risk of anti-social behaviour which would impact on public safety. Mrs. Adlam added that she was an active member of a local Community Group who had been working with the Gwent Police and Tai Calon to improve the area.

Mrs. Adlam had major concerns about the state of the building and the general cleanliness of the surrounding area. The Sub-Committee was informed that pest control had visited the building due to sighting of rats and Mrs. Adlam had on many occasions cleared rubbish and litter from the around the building.

Mrs. Adlam felt that the current state of the building showed the complete lack of respect the Applicant had for the area.

---

---

In response to comments raised by the Applicant's Representative, Mrs. Adlam reiterated that both her and her father was objecting as residents of Garnlydan and did not own the local convenience store. Mrs. Adlam reiterated she was an active and passionate member of the local community group and wanted to improve the area.

Mrs. Adlam added that Nick Smith, M.P. had been contacted on this matter and fully supported the objections raised.

There were no further questions from the representatives or Members of the Sub Committee.

At this juncture the attendees of the meeting were asked to sum up their representations.

The Applicant's Representative appreciated the concerns raised by the objectors in relation to the condition of the building and it was felt these concerns would be addressed as the building would undergo an extensive refurbishment if the application was approved.

Mr. and Mrs. Adlam noted the comments of the Applicant's Representative, however they were not confident that their concerns would be addressed as Mr. Sangha had owned the building for many years and had made no attempt to renovate the building or keep the premise clear of rubbish.

At this juncture, the Applicant, Applicant's Representative, Objectors and Licensing Officers left the meeting in order for the Sub-Committee to consider the application.

The Committee discussed the application at length and a decision was made and attendees were invited back into the meeting.

At this juncture, the Local Authority Solicitor provided the decision of the Sub-Committee.
