## 1. Purpose of the Report

## 2. Scope and Background

- 2.1 The Council's Organisational Development Strategy 2015 -2020 had a strategic focus on preparing the Council and its workforce for transformation and change, and successfully promoted the 'one Council' approach, supported the transformation of the organisation in response to financial efficiency which included the review of services and the introduction of new and alternative service delivery models and workforce downsizing. Headline achievements of the Strategy are attached as appendix 2.
- 2.2 In March the Council agreed to introduce a new Council Operating Model and Working Arrangements the report is attached as appendix 3. This New Operating Model will introduce modern working practices, will seek to enhance employees' working experience, maximise performance and productivity and deliver the greatest value to the organisation, in terms of improving service delivery, as well as realising financial gains. The New Operating Model will also introduce new Community Hubs improving customer access to Council Services and develop the Democratic Hub at the Council's General Offices in Ebbw Vale.
- 2.3 The new Workforce Strategy will be a key enabler in delivering the Council's ambition, the New Council Operating Model and key priorities. It is a five-year strategy focussed on the future, integrating the Council's vision, objectives and financial planning arrangements. It links service outcomes with the workforce required to deliver them and an on-going understanding of how the workforce should look in the future through continual review, re-alignment and measurement of how outcomes are achieved. It will support the workforce to transition from responding to the emergency situation in relation to the pandemic COVID-19 and act as a key lever to facilitate culture change, capacity and skills, continuation of transformational change and performance improvement. The Strategy will aim to ensure we have the right people, with the right skills, in the right place, at the right level, and at the right cost.

The Workforce Strategy is a 5-year strategy with an annual action plan for delivery.

The Strategy will cover all Council employees including school based staff appointed by governing bodies.

The Strategy clearly uses the Council's vision and organisational ambition and sets out:

- What the Council needs to look like
- Describe the Council's future service delivery model
- Outlines workforce priority outcomes for the next 5 years
- Includes the action plan for 2021/22
