BLAENAU GWENT COUNTY BOROUGH COUNCIL CONSTITUTION

SECTION 1

1. INTRODUCTION

1.1 Purpose and Content of the Constitution

1.1.1 The Constitution describes the various bodies that make up the Council, their functions, Membership and procedural rules.

1.1.2 In Section 3 (Getting Information and Getting Involved) we have provided information for members of the public and Councillors on how you can get information about the Council, and how you can get involved. We hope that this will help people who have an interest in the Council's work, or a particular matter it is dealing with, understand where they can get more information, and how they can contribute to Council activities.

1.1.3 You can get a better understanding of what each of the Council's bodies do in Sections 4 to 10 of this Constitution, including Full Council, Executive, (Overview and Scrutiny Committees), Standards Committee and Regulatory Committees. Section 11 provides information on the Management and Officer structures of the Council. Some Officers have a specific duty to ensure that the Council operates within the law and uses resources wisely. Responsibility for functions at Section 13 says which Council bodies, and which Officers have authority to make which decisions.

1.1.4 The procedural rules that apply to the different Council bodies are contained in the sections relating to those bodies, e.g. Full Council (Section 4), the Executive (Section 5) and Overview and Scrutiny (Section 7). You may find these useful if you want to attend a meeting, particularly if you want to be able to ask questions, have a matter discussed, or put your point of view.

1.1.5 Sections 18 to 20 have the Codes of Conduct and Protocols which Officers and Members have agreed to comply with. They set the standards of behaviour.

1.1.6 The Contents pages at the beginning of this Constitution provide a guide on what is in the Constitution and where you can find it.

1.2 How the Council Operates

1.2.1 The Council is comprised of 42 Councillors elected every five years. Each Councillor is democratically accountable to the residents of their electoral division as well as those who live in Blaenau Gwent. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those that did not vote for them.

1.2.2 All Councillors have agreed to follow a Code of Conduct, to ensure high standards in the way they undertake their duties. The Standards Committee is responsible for training and advising on the Code of Conduct.

1.2.3 All Councillors meet together regularly as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the Council's overall Policy Framework and set the budget each year. The Council appoints the Leader of the Council annually. The Full Council then decides the size and Membership of the Executive i.e. the role of

individual Members of the Executive and arrangements for the exercise and delegation of Executive functions. The Executive is appointed to carry out all of the Council's functions which are not the responsibility of any other part of the Council, whether by law or under this Constitution, together with making decisions within the Budget and Policy Framework set by the Council.

SECTION 2

2. PURPOSE, DEFINITION INTERPRETATION AND AMENDMENT OF THE CONSTITUTION

- (b) the Overview and Scrutiny Committees shall undertake the following:
 - (i) investigate or review a particular matter in depth and without delay, reporting their conclusions and making any recommendations to the Council or Executive as appropriate;
 - (ii) conduct research, community (and other) consultation for the purposes of analysing issues and developing where appropriate; possible options, through liaison with the area/community partnerships;
 - (iii) consider and report on mechanisms to encourage and enhance community participation in the development of service delivery options;
 - (iv) question Executive Members and Officers about their views and actions on issues and proposals affecting the County Borough;
 - (v) liaise with other external organisations operating in the area, whether national, regional or local, to ensure that the interests of local people are enhanced by collaborative working; and

- (vi) question and gather evidence from any person (with his/her consent) whilst conducting investigative and reporting processes.

7.16 Meetings of the Overview and Scrutiny Committees

The Council will determine a cycle of meetings for the Overview and Scrutiny Committees. If the Council do not set the cycle, each such Committee shall determine their own cycle of meetings. The Chair, or in their absence the Vice-Chair, may change the date or cancel meetings, or call additional meetings as they consider necessary to deal with the Committee's Work Programme. A meeting of an Overview and Scrutiny Committee may be called by the Chair (or in his or her absence, the Vice-Chair) or by the Managing Director / Head of Paid Service if he or she considers it necessary or appropriate. Any Member may sit on a Task and Finish Group if they have a specific interest or knowledge and are invited to do so, as long as there are no prejudicial interests.

7.17 Quorum

The quorum for an Overview and Scrutiny Committee shall be as set out in the Council Procedure Rules in Section 4 of this Constitution.

7.18 Agenda Items

- 7.18.1 Any Member of a particular Overview and Scrutiny Committee shall be entitled to give notice to the Managing Director / Head of Paid Service that he wishes an item relevant to the functions of that Committee to be included on the agenda for the next available meeting. Seven working days' notice of the item should be given to the Head of Democratic

Services together with sufficient information to enable the Officer to advise about the nature and purpose of the item, linked to the forward work programme criteria.

- 7.18.2 On receipt of such a request, so long as it is an appropriate matter to be considered and is appropriate to the priorities within the Council's Well-being Objectives and the Forward Work Programme, the Managing Director / Head of Paid Service will ensure that it is included on the next available agenda.
- 7.18.3 An Overview and Scrutiny Committee shall also respond, as soon as their work programme permits, to requests from the Council and/or the Executive to review particular areas of Council activity. Where they do so, the particular Overview and Scrutiny Committee shall report their findings and any recommendations back to the Executive and/or Council. The Council and/or Executive shall consider the report of the Overview and Scrutiny Committee within one month of receiving it.
- 7.18.4 If, in considering a recommendation from any scrutiny committee, the Executive partly or wholly reject a recommendation, the relevant scrutiny committee can require the relevant Executive member attend the next meeting to explain the rationale for the decision and answer any questions.

7.19 Policy Review and Development

- 7.19.1 The role of the Overview and Scrutiny Committee in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules in Section 15.

- 7.19.2 In relation to the development of the Council's approach to other matters not forming part of its Budget and Policy Framework, and Overview and Scrutiny Committee may make proposals to the Executive for developments in so far as they relate to matters within their terms of reference.
- 7.19.3 An Overview and Scrutiny Committee may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expense for doing so.

7.20 Reports from the Overview and Scrutiny Committees

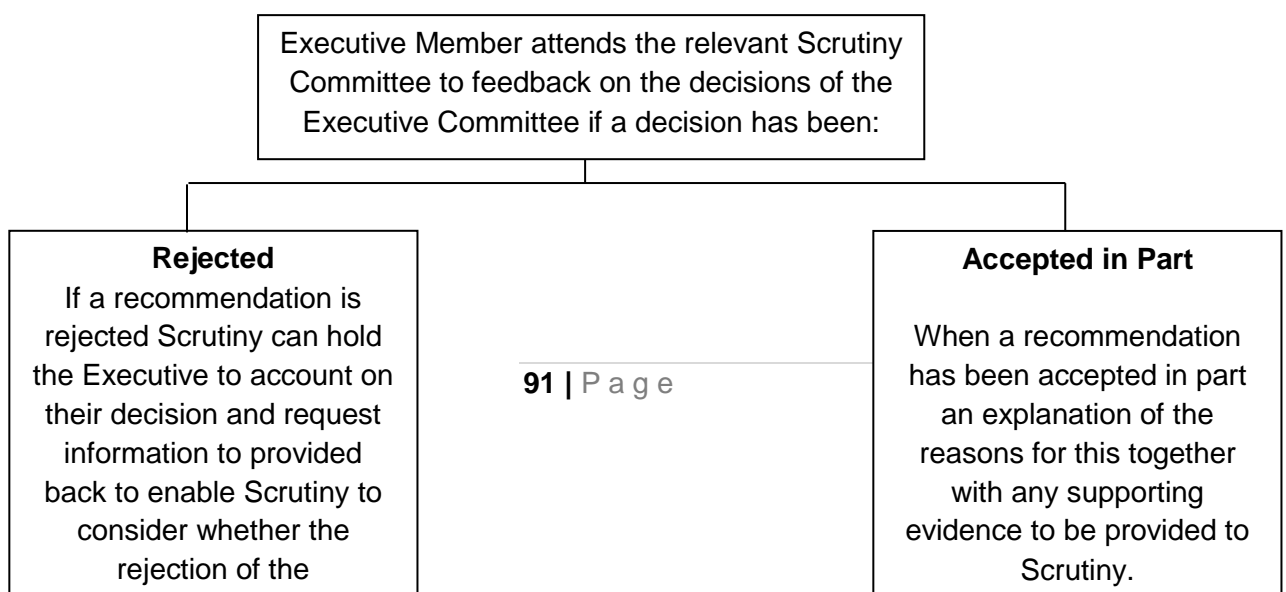

- 7.20.1 All formal reports from the Overview and Scrutiny Committees will be submitted to the Managing Director / Head of Paid Service for consideration by the Executive (if the proposals are consistent with the existing Budget and Policy Framework), or to the Council as appropriate (eg if the recommendation would require a departure from or a change to the Budget and Policy Framework).
- 7.20.2 If an Overview and Scrutiny Committee cannot agree on one single final report to the Council or Executive as appropriate, one minority report may be prepared and submitted for consideration by the Council or Executive with the majority report.

7.20.3 The Council or Executive shall consider the report of an Overview and Scrutiny Committee one month of it being submitted to the Managing Director / Head of Paid Service.

7.21 Making sure that Overview and Scrutiny Reports are considered by the Executive

Any recommendations made in respect of reports which have been considered by Overview and Scrutiny Committees will be brought back to Executive as soon as practicably possible. Where an item is not considered by the Executive within three months, the Executive will give an explanation of the reasons for the delay to the Chair of the relevant Overview and Scrutiny Committee as soon as practicable.

The Executive Committee Clerk will be required to report all decisions and supporting discussions to the Democratic and Scrutiny Officer following each Executive Committee Meeting. Where a recommendation has been accepted in part or rejected the relevant Executive Member will be expected to report this decision back to the relevant Scrutiny Committee in person. Support will be provided by the Democratic and Scrutiny Officer to the relevant Executive Member/s when they are required to attend a Scrutiny Committee.

7.22 Rights of Members of the Overview and Scrutiny Committees to Documents

7.22.1 In addition to their rights as Councillors, Members of the Overview and Scrutiny Committees have the additional right to documents and to notice of meetings as set out in the Access to Information Procedure Rules in Section 14 of this Constitution.

7.22.2 Nothing in this paragraph prevents more detailed liaison between the Executive and the Overview and Scrutiny Committees as appropriate depending on the particular matter under consideration.

7.23 Members and Officers Giving Account

7.23.1 The Overview and Scrutiny Committees may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the Scrutiny role, it may require any Member of the Executive, the Managing Director / Head of Paid Service and/or any Senior Officer to attend before it to explain in relation to matters within their remit:

- (a) any particular decision or series of decisions;

- (b) the extent to which the actions taken implement Council policy and/or;
- (c) their performance;

and it is the duty of those persons to attend if so required.

- 7.23.2 For this purpose, Senior Officer includes any Chief Officer, Deputy Chief Officer and other appropriate Senior Officer. Where there are concerns about the appropriateness of the Officer who should attend, the relevant Chief Officer shall discuss this with the appropriate Overview and Scrutiny Committee Chair or Vice-Chair with a view to achieving consensus.
- 7.23.3 Where any Member or Officer is required to attend an Overview and Scrutiny Committee under this provision, the Chair of that Committee will inform the Head of Democratic Services. The Head of Democratic Services will make arrangements to inform the Member or Officer, if necessary in writing, giving at least three working days' notice of the meeting at which he or she is required to attend (unless agreed otherwise). Any notice will state the nature of the item on which he or she is required to attend to give account and whether any papers are required to be produced for the Committee.
- 7.23.4 Where the account to be given to an Overview and Scrutiny Committee will require the production of a report, then the Member or Officer concerned will be given sufficient notice to allow for preparation of that documentation.
- 7.23.5 Where, in exceptional circumstances, the Member or Officer is unable to attend on the required date, then the Overview and Scrutiny Committee shall in

consultation with the Member or Officer arrange an alternative date for attendance.

7.24 Attendance by Others

An Overview and Scrutiny Committee may invite people other than those people referred to in paragraph 7.23 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Members and Officers in other parts of the public sector and shall invite such people to attend.

7.25 Call-In

7.25.1 Rules

- (a) Where a decision is made by the Executive, or a Committee of the Executive or under joint arrangements, the decision shall be published by the Head of Democratic Services, including where possible by electronic means, and shall be available at the main offices of the Council normally within five clear working days of it being made. All Members of the Overview and Scrutiny Committee will be sent copies of the records of all such decisions within the same time scale, by a person responsible for publishing the decision. All relevant decisions of the Executive will be included on the next agenda for the appropriate Scrutiny Committee.

- (b) The notice of decision will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of five clear working

days after the publication of the decision, unless an Overview and Scrutiny Committee objects to it and calls it in for review.

- (c) During that period ie. the period between publication of the decision and the expiry of five clear working days, the Monitoring Officer may call-in a decision for scrutiny by an Overview and Scrutiny Committee if so requested in the specified format by five Members of that Overview and Scrutiny Committee and, shall then notify the decision taker of the call-in. He/she shall call a meeting of that Overview and Scrutiny Committee on such a date as he/she may determine, where possible after consultation with the chair or Vice-Chair of that Overview and Scrutiny Committee, and in any case within fifteen clear working days of the decision to call-in (only in exceptional circumstances will the Chair of the Overview and Scrutiny Committee consider extending this time limit).
- (d) If, having considered the decision, the Overview and Scrutiny Committee is still concerned about it, then it may refer it back to the decision making body for reconsideration, setting out in writing the nature of its concerns, or refer the matter to Full Council. If referred to the decision maker they shall then reconsider within a further 10 clear working days, amending the decision or not, before adopting a final decision.
- (e) If following an objection to the decision, an Overview and Scrutiny Committee does not meet within the period set out above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the Overview and Scrutiny

Committee meeting, or the expiry of that further 10 working day period, whichever is the earlier.

- (f) If the matter was referred to Full Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object, the Council will refer any decisions to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Executive as a whole, or a Committee of it, a meeting will be convened to reconsider within five working days of the Council's request. Where the decision was made by an individual, the individual will reconsider within five working days of the Council's request.
- (g) If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is earlier.
- (h) In order to ensure that call-in is not abused, nor causes unreasonable delay, certain limitations are placed on its use. These are:
 - (i) an Overview and Scrutiny Committee may only call-in a total of three decisions per three month period;

- (ii) five Members of an Overview and Scrutiny Committee are needed for a decision to be called in and their signatures must be placed upon the request which must also contain valid written reasons for the call-in request;
- (iii) once a Member has signed a request for call-in under this paragraph, he/she may not do so again until the period of three months has expired;
- (i) The Monitoring Officer may veto any request for call-in if it falls outside the remit of this scheme.
- (j) Save in exceptional circumstances all Members requesting a matter be called in must attend the meeting at which the matter is being considered.

7.25.2 Call-in Urgency

- (a) The call-in procedure set out above shall not apply where the decision being taken by the Executive is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would, for example, seriously prejudice the Council's or other public interests. The record of the decision, and notice by which it is made public, shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in. The Council Chairperson must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the Council Chairperson the Deputy Council Chairperson's consent shall be required. In the absence of both, the Head of Paid Service or his/her nominee's consent should be required. Decisions taken as a matter of urgency must

be reported at the next available meeting of the Council, together with the reasons for urgency.

- (b) The operation of the provisions relating to call-in and urgency shall be monitored annually and a report submitted to Council with proposals for review if necessary.

7.26 The Party Whip

If a Member of an Overview and Scrutiny Committee is subject to a party whip in respect of an issue to be considered by it, that Member must declare the existence of the whip and the nature of it before the commencement of deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

7.27 Procedure at Overview and Scrutiny Committee Meetings

7.27.1 An Overview and Scrutiny Committee shall consider the following business:

- (a) minutes of the last meeting;
- (b) declarations of interest;
- (c) consideration of any matter referred to that Overview and Scrutiny Committee;
- (d) responses of the Executive to reports of that Overview and Scrutiny Committee;
- (e) the business otherwise set out on the agenda for the meeting;

- (f) Consideration of agenda items for the next meeting.

The Rules of Procedure at an Overview and Scrutiny Committee will be the same as the Council Procedure Rules except that the Chair of the meeting may allow the rules of debate to be relaxed to enable a full contribution by those attending the meeting whether a Member of an Overview and Scrutiny Committee or in any other capacity which allows them to contribute to the worth of the meeting.

7.27.2 An Overview and Scrutiny Committee may ask people to attend to give evidence or answer questions about any items on their agenda. Meetings should be conducted in accordance with the following principles:

- (a) that the business be conducted fairly and all Members of the Overview and Scrutiny Committee be given the opportunity to ask questions of attendees, and to contribute and speak;
- (b) that those assisting by giving evidence be treated with respect and courtesy;
- (c) that the business be conducted as efficiently as possible.

7.27.3 Following any investigation or review, an Overview and Scrutiny Committee shall prepare a report, for submission to the Executive and/or Council as appropriate detailing the discussions of the Committee and its recommendations and shall make its report and findings public.

7.28 Matters within the Remit of more than one Overview and Scrutiny Committee

Where a matter for consideration by an Overview and Scrutiny Committee also falls within the remit of one or more other Committees, the decision as to which Committee will consider it will be resolved by the respective Chairs or, if they fail to agree, the Managing Director / Head of Paid Service or Head of Democratic Services.

7.29 Councillor Call for Action

- 7.29.1 The Councillor Call for Action is a mechanism for enabling elected Members to bring matters of local concern to the attention of the Council via the Scrutiny process. It should be an option of “last resort”.
- 7.29.2 Any Member may request that an item is placed on the agenda of an Overview and Scrutiny Committee for consideration.
- 7.29.3 The procedure for dealing with a Call for Action is set out in the Councillor Call for Action – Guidance for Councillor attached to these Rules at Appendix 1.

APPENDIX 1 TO SECTION 7

Councillor Call for Action – Guidance for Councillors

1. INTRODUCTION

- 1.1 The Local Government Wales Measure 2011 introduced a number of new provisions aimed at strengthening local democracy. Section 63 of the Measure introduced a provision for “Councillor Calls for Action” (CCfA) which enables Councillors to refer issues of local importance to Overview and Scrutiny Committees.
- 1.2 CCfAs are intended to enable local Councillors and their electors to obtain a response from their Council Leadership on issues of local importance. CCfAs should be regarded as one of a series of tools which elected Members have at their disposal to resolve local issues and make a positive difference in their community. Previously in Wales, only local Crime and Disorder issues could be referred by the local Member to the designated Crime and Disorder Scrutiny Committee (role undertaken by the Corporate Overview Scrutiny Committee) for action and it should be noted that these local crime and disorder referrals will remain in place under separate legislation.
- 1.3 As part of their community leadership role, Councillors have always attempted to resolve issues on behalf of their local residents and CCfAs provide an additional avenue for Councillors to follow if the normal ways of resolving an issue have not been successful and the issue meets the criteria for a referral. It should be noted that a referral under this process should be seen as a last resort after all other avenues have been exhausted.
- 1.4 CCfAs have been introduced alongside other powers for scrutiny, including powers to scrutinise a wide range of bodies not previously subject to local authority scrutiny. CCfAs are intended to enable any Member for the Council to refer to the Scrutiny Committees, ‘a local government matter’ which falls within the Scrutiny Committee’s remit.

2. **HOW SHOULD I NORMALLY ATTEMPT TO RESOLVE A LOCAL ISSUE IN MY AREA?**

- 2.1 Local issues can be resolved in a number of ways by Councillors on behalf of their residents as listed in the Welsh Government's Statutory Guidance from the Local Government Measure 2011:
- 2.1.1 informal discussions with Officers or other Councillors;
 - 2.1.2 informal discussions with partner representatives;
 - 2.1.3 referral to other "scrutiny" bodies such as Community Health Councils or internal audit committee;
 - 2.1.4 formal discussions with Officers and Councillors;
 - 2.1.5 formal letters to the Executive Members;
 - 2.1.6 asking questions at Full Council;
 - 2.1.7 submitting a motion to Full Council;
 - 2.1.8 organising public meetings;
 - 2.1.9 use of petitions;
 - 2.1.10 making a complaint;
 - 2.1.11 questions at Full Council;
 - 2.1.12 freedom of information requests;
 - 2.1.13 communication with local AMs or MPs;
 - 2.1.14 use of social media or email based campaigns.

- 2.2. This is not an exhaustive list and Councillors may choose different routes for specific issues. If an issue has not been resolved after exhausting all possible alternative routes, then a local Councillor can refer it to the appropriate Overview and Scrutiny Committee.

3. **WHAT IS A COUNCILLOR CALL FOR ACTION**

- 3.1 In order for the Committee to accept a CCfA as an agenda item for discussion at one of their meetings, the issue must affect either all or part of a Councillor's electoral area or it must affect someone who lives or works in that area.
- 3.2 A Councillor does not however need a referral from a constituent in order to start the process. It is important to recognise that a CCfA is not guaranteed to solve a given problem, though it can provide a method for discussing such problems and, through discussion, attempt to overcome them.

4. **HOW AND WHEN SHOULD MAKE A CCFA**

- 4.1 A flowchart showing the process is provided at Appendix 2. A Councillor may initiate the process by completing the form at Appendix 3. Further copies are available from the Democratic Services section. It is important that the local Councillor specifies what outcome is expected from the referral. After completion, the form should be returned to the Democratic Services section who will log and acknowledge the referral within five working days, to track its progress and forward a copy of the form to the Head of Legal and Corporate Compliance (The Monitoring Officer).
- 4.2 The Proper Officer will confirm whether or not the referral satisfies the requirements outlined in section 3 above to enable it to be placed on the agenda for discussion at a meeting of the Committee. The Proper Officer reserves the right to exclude from the agenda any matter which is vexatious, discriminatory or otherwise potentially unlawful; and the Councillor will be informed of this outcome as soon as practicable.

5. **CRITERIA TO BE FOLLOWED BY AN OVERVIEW AND SCRUTINY COMMITTEE**

5.1 It is up to the Members of the Corporate Overview Scrutiny Committee to decide whether, and in what form, to take the matter further. The Corporate Overview Scrutiny Committee will use the following criteria to decide whether or not the referral is appropriate to be considered by that Committee.

5.1.1 Is that the Corporate Overview Scrutiny Committee satisfied that all reasonable attempts have been made to resolve the issue by the local Councillor? Do the responses received by the referring Councillor demonstrate that the matter is not being progressed?

5.1.2 Has that Committee considered a similar issue recently? If so, have the circumstances or evidence changed?

5.1.3 Is there a similar or related issue which is the subject of a review on the current work programme? It may be more appropriate to link the new issue to an existing review, rather than hold a separate CCfA hearing. Relevant time pressures on resolving the CCfA should be taken into account.

5.1.4 Have all relevant service areas or partner organisations been informed and been given enough time to resolve the issue? What response has the Councillor received?

5.1.5 Is this a case that is being or should be pursued via the Council's corporate complaints procedure?

5.1.6 Is it relating to a "quasi-judicial" matter or decision such as planning or licensing?

5.1.7 Is the matter an issue of genuine local concern which impacts on the local community rather than a personal matter?

5.1.8 Is this an issue currently being looked at by another form of local scrutiny?

5.1.9 And, as with all scrutiny, does the matter have the potential for scrutiny to produce recommendations which could realistically be implemented and lead to improvements for anyone living or working in the Member's electoral division?

NB: Crime and Disorder referrals should be directed to the Corporate Overview Scrutiny Committee.

5.2 If the Corporate Overview Scrutiny Committee decides not to accept the CCfA, it must inform the Councillor of the decision and the reasons for it.

5.3 If the Corporate Overview Scrutiny Committee decides to accept the CCfA, the Councillor will be informed and advised of the agreed Protocol, e.g. the Councillor will be given adequate notice (a minimum of 10 clear days) of the date of the Scrutiny Committee meeting. The Councillor will be requested to attend the Committee and informed that he/she will have five minutes in which to address the Committee. The Committee may then wish to question the Councillor further before deciding how it intends to take the matter forward. This could include:

5.3.1 asking the relevant responsible authorities to respond to the CCfA;

5.3.2 setting up a research or task and finish group to undertake a more in-depth review;

5.3.3 asking for further evidence and / or witnesses to be brought to a future meeting. The Corporate Overview Scrutiny Committee has the power to request "designated persons" such as representatives from other public bodies / agencies to attend, where relevant, and to request information.

6. **POTENTIAL OUTCOMES FROM A CCFA**

- 6.1 The Corporate Overview Scrutiny Committee could:
 - 6.1.1 determine that it is a complex issue that requires further investigation and commission a scrutiny review of the issue;
 - 6.1.2 write a response and make recommendations on the CCfA to a relevant responsible authority;
 - 6.1.3 decide that further action is not appropriate giving its reasons.
- 6.2 Once Corporate Overview Scrutiny Committee has completed its work, the Councillor who made the referral will receive a copy of any response or recommendations made.

7. **TIMESCALES FOR DEALING WITH A CCFA**

- 7.1 In exceptional circumstances, for example where there are unavoidable time constraints, a special Committee meeting may be convened.
- 7.2 Should a CCfA result in recommendations to the Executive responsible authorities, they will be requested to make a response to the recommendations within 28 days and two months respectively.
- 7.3 The Corporate Overview Scrutiny Committee will monitor implementation of any recommendations as part of its Forward Work Programme.

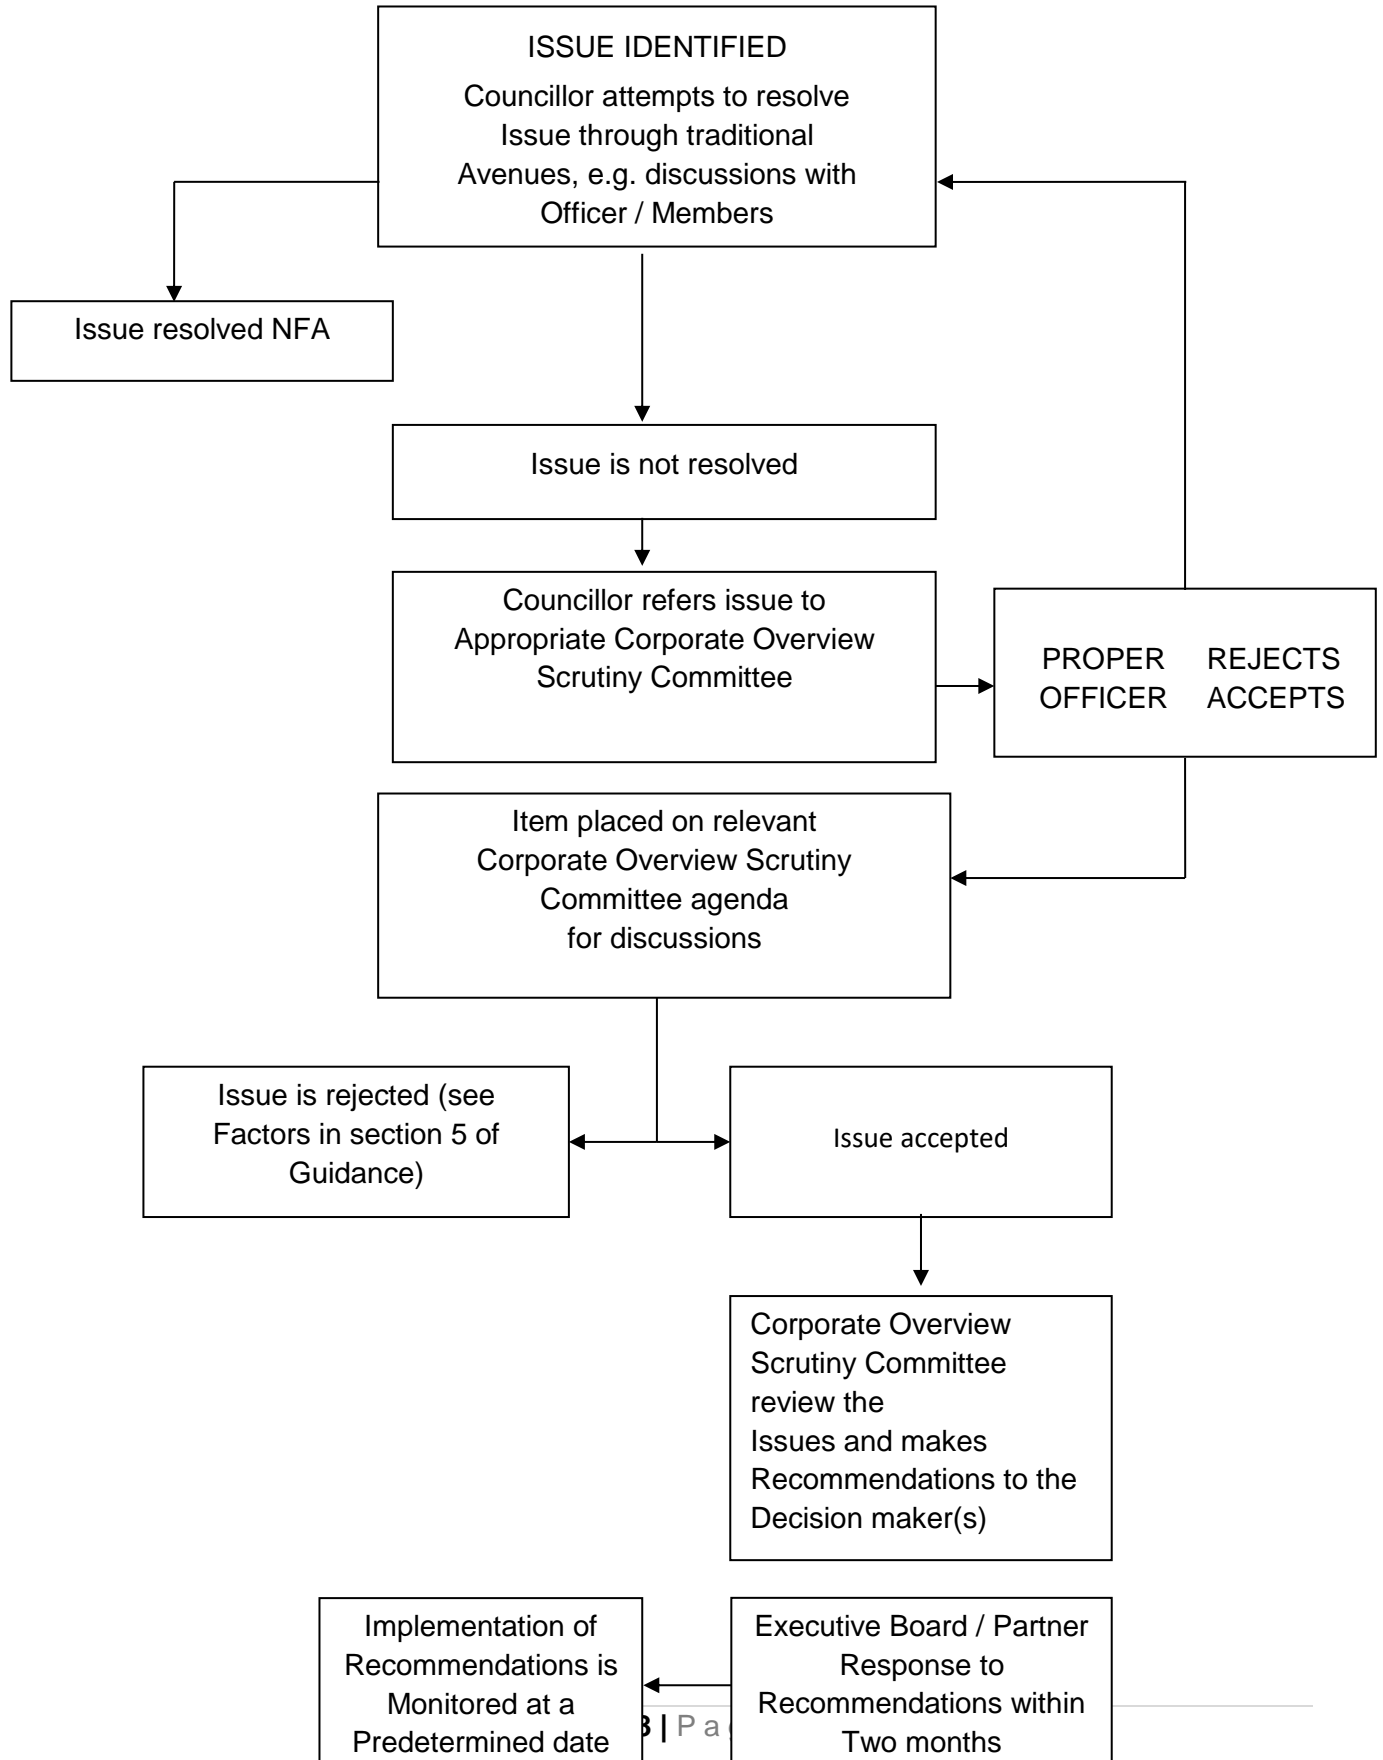

8. **REVIEW OF THIS GUIDANCE**

This guidance is based on a model prepared and approved by the Association of County Secretaries and Solicitors (ACSeS) in October 2009. ACSeS will review their model guidance in light of experience of

the use of these procedures by local authorities in Wales, and this guidance may therefore be modified accordingly.

1. The following criteria will be taken into consideration when the Corporate Overview Scrutiny Committee decide whether to progress with your CCfA:
 - 1.1 Have all reasonable attempts been made to resolve the issue? Do the responses received by you demonstrate that the matter is not being progressed?
 - 1.2 Has the Committee considered a similar issue recently – if yes, have the circumstances or evidence changed?

 - 1.9 And, as with all scrutiny, does the matter referred have the potential for scrutiny to produce recommendations, which could realistically be implemented and lead to improvements for anyone living or working in your electoral division.

2. Please consider whether your referral might be considered premature by the Corporate Overview Scrutiny Committee. Consider whether other potential remedies have been exhausted, before a referral is made. Members should be aware that if a premature referral is made, the Committee is likely to refuse to deal with the issue, based on the criteria outlined above. If the Proper Officer believes that the referral is premature, he / she will advise you accordingly.

APPENDIX 4 TO SECTION 7
Public Service Board (PSB) Scrutiny Committee
Terms of Reference

Purpose of the Public Service Board

The purpose of the Public Service Board is to improve the economic, social, environmental and cultural well-being of the people living in the Blaenau Gwent area. In pursuing this purpose, the Board will deliver against the national well-being goals that are:

- A more prosperous Wales
- A resilient Wales
- A healthier Wales
- A more equal Wales
- A Wales of cohesive communities
- A Wales of vibrant culture and thriving Welsh Language
- A globally responsible Wales

The Board will operate within sustainable development principles. This means acting in a manner that seeks to ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

This means that decision making by the board will need to take into account five key areas:

- **Long term:** The importance of balancing short-term needs with the need to safeguard the ability to also meet long- term needs.
- **Prevention:** How acting to prevent problems occurring or getting worse may help, public bodies meet their objectives.
- **Integration:** Considering how the public body's well-being objectives may impact upon each of the well-being goals, on their other objectives, or on the objectives of other public bodies.
- **Collaboration:** Acting in collaboration with any other person (or different parts of the body itself) that could help the body to meet its well-being objectives.
- **Involvement:** The importance of involving people with an interest in achieving the well-being goals, and ensuring that those people reflect the diversity of the Blaenau Gwent area.

Purpose of the Public Service Board Scrutiny Committee

In order to assure local accountability of the Public Service Board there is a requirement to establish a designated PSB Scrutiny Committee.

The Committee will:

- a) Review and scrutinise the decisions made or actions taken by the Public Services Board;
- b) Review or scrutinise the board's governance arrangements;
- c) Make reports or recommendations to the Board regarding its functions or governance arrangements;
- d) Consider matters relating to the Board as the Welsh Ministers may refer to it and report to the Welsh Ministers accordingly; and
- e) Carry out other functions in relation to the board that are imposed on it by the Act.

Specifically, scrutiny is expected to:

- Formally receive the Wellbeing Assessment and Wellbeing Plan from the Public Services Board
- Act as a statutory consultee for the Wellbeing Assessment and Wellbeing Plan
- Review the Wellbeing Plan if directed to by the Welsh Minister (who has the power of referral but not approval)

In addition to these functions the Committee can also consider:

- The effectiveness of the Wellbeing Assessment
- The effectiveness of the Wellbeing Plan
- The effectiveness of performance measurement arrangements
- The level of commitment from individual partners to the work of the Public Services Board
- The effectiveness of the Public Services Board in communicating its work, objectives and outcomes to its stakeholders
- The effectiveness of the Public Services Board in addressing the issue of pooled funding to tackle priorities

To enable it to fulfil its scrutiny function the Scrutiny Committee will be provided with evidence in the form of:

- Draft assessment of local well-being
- Draft local well-being plan
- Copies of the final versions of both

- Annual reports

It is important to recognise that the Future Generations (Wales) Act only allows there to be scrutiny of the 'corporate body' of the PSB, and not the individual members. The legislation states:

“The committee can require any member of the board to give evidence, but only in respect of the exercise of joint functions conferred on them as a member of the board under this Act.”

The Scrutiny Committee can require any statutory member of the Board to give evidence, but only in respect of the exercise of joint functions conferred on them as a statutory member of the Board under the Act. This includes any person that has accepted an invitation to participate in the activity of the Board.

The Scrutiny Committee must send a copy of any report or recommendation it makes to the Welsh Ministers, the Commissioner and the Auditor General for Wales.

Membership of the PSB Scrutiny Committee

The current make up of this Committee includes all members of the Corporate Overview Scrutiny Committee as well as the Scrutiny Chairs and Scrutiny Vice Chairs who do not sit on Corporate Overview. The Committee is to be politically balanced.

Chairing the PSB Scrutiny Committee

The PSB Scrutiny Committee meetings will be chaired by the chair of the Corporate Overview Scrutiny Committee.

Timings of Meetings

The meetings of the PSB Scrutiny Committee will be established within the current cycle of the Public Service Board in order to meet monitoring and reporting arrangements.

Rules of Procedure

The PSB Scrutiny Committee will follow the scrutiny committee arrangements as set out in the Constitution. The PSB Scrutiny Committee will operate in the same way as other Council Scrutiny Committees but will hold the PSB to

account rather than the Executive Committee. Arrangements for pre meetings and post evaluation meetings will be established as part of the committee arrangements.

Quorum will be a quarter of the membership.

The scrutiny procedure rules, 'call in' processes and arrangements for declarations of interest will apply to all meetings of the PSB Scrutiny Committee.

The Committee is able to establish task and finish groups to undertake specific time bound work and any Member may sit on these groups if they have a specific interest or knowledge and are invited to do so, as long as there are no prejudicial interests.

Recommendations to PSB

When the PSB Scrutiny Committee makes a recommendation to the PSB the Chair of the Committee will attend the next meeting of the PSB to present the reasons for the Scrutiny recommendation. The PSB is to consider all recommendations made by the PSB Scrutiny Committee and to provide a response to a future Scrutiny Committee meeting. The response needs to identify whether the recommendation has been accepted, rejected or accepted in part and the reasons for the decision. 13.7 Removal of Delegation

- 13.7.1 Where a function has been delegated, the body that delegated the function may withdraw the delegation generally or in any particular case, and may exercise the function itself.
- 13.7.2 Where a function has been delegated, the decision maker is not required to exercise the delegation and may refer any particular matter to the body that made the delegation or any other body that has power to exercise the function.

13.8 Who May Exercise Officer Delegations?

Where a function has been delegated to an Officer(s) (“delegated Officer(s)”), the decision may be taken in the name of or on behalf of (but not necessarily personally by) such delegated Officer(s) (“authorised Officer(s)”) in accordance with arrangements made from time to time by such delegated Officer(s) for this purpose. The Officer with delegated powers can only delegate to a third party if that Officer is given delegated powers to “delegate on” that decision making.

14. ACCESS TO INFORMATION PROCEDURE RULES

14.1 Scope

These rules apply to all meetings of the Council, the Executive, Overview and Scrutiny Committee, Governance and Audit Committee, Democratic Services Committee, Standards Committee, and Regulatory Committees.

14.4 Notices of Meeting

Unless a meeting is convened at short notice, the Council will give at least three clear days' notice of any meeting by posting details of the meeting on its website.

14.5 Access to Agenda and Reports Before the Meeting

The Council will make copies of the agenda and reports open to the public available for inspection at the designated office and on its website at least three clear days before the meeting. If an item is added to the agenda later, the revised agenda (where reports are prepared after the summons has been sent out, the designated

Officer shall make each such report available to the public as soon as the report is completed and sent to Councillors) will be open to inspection from the time the item was added to the agenda.

14.6 Supply of Copies

The Council will supply copies of:

- 14.6.1 any agenda and reports which are open to public inspection;
- 14.6.2 any further statements or particulars necessary to indicate the nature of the items in the agenda; and
- 14.6.3 if the Managing Director / Head of Paid Service thinks fit, copies of any other documents supplied to Councillors in connection with an item

to any person either electronically or on payment of a charge for postage and any other printing and handling costs.

14.7 Access to Minutes after the Meeting

The Council will make available either electronic or hard copies of the following for a period of six years after the date of a meeting:

- 14.7.1 the minutes of the meeting or record of decisions taken by the Executive, excluding any part of the minutes of proceedings when the meeting was not open to the public because exempt or confidential information was being considered;
- 14.7.2 a summary of any proceedings not open to the public, where the minutes open to inspection would not provide a reasonably fair and coherent record;
- 14.7.3 the agenda for the meeting; and

- 14.7.4 reports relating to items when the meeting was open to the public.

14.8 Background Papers

14.8.1 List of Background Papers

The Officer preparing the report will set out in every report a list of those documents (called background papers) relating to the subject matter of the report which in his/her opinion:

- (a) disclose any facts or matters on which the report or an important part of the report is based;
- (b) which have been relied on to a material extent in preparing the report

But does not include published works or those which disclose exempt or confidential information as defined in Rule 14.10.

14.8.2 Public Inspection of Background Papers

The Council will make available for public inspection for four years after the date of the meeting one copy of each of the documents on the list of background papers.

14.9 Summary of Public's Rights

A written summary of the public's rights to attend meetings and to inspect and copy documents will be kept at, and made available to the public at the Civic Centre, Ebbw Vale.

14.10 Exclusion of Access by the Public to Meetings

14.10.1 Confidential Information – Requirement to Exclude Public

The public must be excluded from meetings whenever it is likely in view of the nature of the business to be transacted, or the nature of the proceedings, that confidential information would be disclosed.

14.10.2 Exempt Information – Discretion to Exclude Public

(a) The public may be excluded from meetings whenever it is likely in view of the nature of the business to be transacted, or the nature of the proceedings, that exempt information would be disclosed.

(b) Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public, unless a private hearing is necessary for one of the reasons specified in article 6.

14.10.3 Meaning of Confidential Information

Confidential information means information given to the Council by a Government Department on terms which forbid its public disclosure or information which cannot be publicly disclosed by Court Order.

14.10.4 Meaning of Exempt Information

Exempt information means information falling within the categories as defined by Schedule 12A of the Local Government Act 1972 as amended

NOTE: Information is not exempt information if it relates to proposed development for which the local planning authority may grant itself planning permission pursuant to regulation 3 of the Town and Country Planning General Regulations 1992.

14.11 Public Interest Test

14.11.1 Information which:

- (a) falls within any relevant paragraphs of the schedule to the Act stated above; and
- (b) is not prevented from being exempt by virtue of the “qualifications” above,

is exempt information if and so long, as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

14.11.2 The starting point is that there is a general public interest in release and the public authority has to decide whether in any particular case it would serve the interest of the public better to either disclose or withhold the information.

14.11.3 There is no legal definition of what the public interest is, but the following have been identified as some of the relevant considerations:

- (a) There is a distinction between public interest and what merely interests the public.

- (b) Does it further the understanding of and participation in the public debate of issues of the day?
- (c) Does it promote accessibility and transparency by public authorities for decisions taken by them or in the spending of public money?
- (d) Does it allow individuals and companies to understand decisions made by public authorities affecting their lives?
- (e) Does it bring to light information affecting public health and public safety?

14.12 Exclusion of Access by the Public to Reports

If the Head of Legal & Corporate Compliance thinks fit, the Council may exclude access by the public to reports which, in his or her opinion, relate to items during which, in accordance with Rule 14.10, the meeting is likely not to be open to the public. Such reports will be marked “Not for Publication”, together with the category of information likely to be disclosed and if applicable, why it is in the public interest it is considered that the information should not be disclosed.

14.14 Consultation on Proposals to be considered by the Executive

- 14.14.1 At least four weeks should be permitted in the Forward Work Programme for consultation with the Overview and Scrutiny Committee and Electoral Division Members where a matter is to be considered by the

Executive and is not urgent (as defined below) or confidential or exempt (as defined in paragraph 14.10).

14.14.2 A matter may be considered urgent where the events to which it is addressed were unforeseen at the time that the last Forward Work Programme was produced and a decision is required within four weeks.

14.14.3 A decision can only be treated as urgent if the decision taker (if an individual) or the Chair of the body making the decision obtains the agreement of the Chair of the relevant Overview and Scrutiny Committee that the taking of the decision cannot be reasonably deferred. If there is no Chair of the relevant Overview and Scrutiny Committee, or if the Chair of the Overview and Scrutiny Committee is unable to act, then the agreement of the Council Chairperson or, in his/her absence, the Deputy Council Chairperson will suffice. Any decisions taken under this urgency procedure will be recorded as having been taken in the absence of consultation in the decision record.

14.15 Record of Decisions of the Executive

14.15.1 The Decision Record

(a) A written record will be made of every Executive Decision made by the Executive and its Committees (if any) and by Joint Committees and Joint Sub-Committees whose Members are all Members of a Local Authority Executive.

(b) This decision record will include a statement, for each decision, of:

(i) the decision made:

- (ii) the date the decision was made;
- (iii) the reasons for that decision;
- (iv) any personal interest declared;
- (v) any dispensation to speak granted by the Authority's Standards Committee;

14.17.1 Rights of Access

14.17.2 Limitation on Rights

A Member will not be entitled to any part of a document where:

- (a) it would disclose exempt information falling within paragraphs 12 to 18 of Part 4 of Schedule 12A of the Local Government Act 1972; or

14.17.3 Nature of Rights

These rights of a Member are additional to any other right he/she may have.

SECTION 15

- 15.2.5 If the Leader objects to the decision of the Council, he/she shall give written notice to the Managing Director / Head of Paid Service to that effect, prior to the date upon which the decision is to be effective. - 15.2.6 The Council meeting must take place within 5 working days of the receipt of the Leader's written objection. At that Council meeting, the decision of the Council shall be reconsidered in the light of the objection, which shall be available in writing for the Council.

- 15.4.2 If the Executive, Committees of the Executive, individual Members of the Executive or any Officers or joint arrangements discharging Executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Officer - Resources as to whether the decision they want to make would be contrary to the Policy Framework, or contrary to or not wholly in accordance with the budget.

15.5 Urgent Decisions Outside the Budget or Policy Framework

- 15.5.1 The Executive, a Committee of the Executive or Officers or joint arrangements discharging Executive functions may take a decision which is contrary to the Council's Policy Framework or contrary to or not wholly in accordance with the budget approved by Full Council

if the decision is a matter of urgency. However, the decision may only be taken:

- 1.1 These Contract Procedure Rules (CPRs) are made under Sections 135 of the Local Government Act 1972.
- 1.2 Contract Procedure Rules (CPRs) provide a corporate framework for the procurement of all goods, services and works for the Council. The Rules are designed to safeguard the interests of the Council and its employees and to ensure that all procurement activity is conducted with openness, probity and accountability and in accordance with the Council's Constitution, Public Contract Regulations and English Law.
- 1.3 Procurement is the process by which the Council manages the acquisition of all its goods, services and works. It includes the identification of need, consideration of options, the actual procurement process and the subsequent management and review of awarded contracts.
- 1.4 The Council's procurement activities are governed by detailed European and UK legislation. The law requires all Council procurement and contracting to be conducted transparently, fairly and in a non-discriminatory and disproportionate manner. In the event of statutory or other legal requirement exceeding the requirements contained within these CPRs, then statute shall take precedence over any provision within these CPRs.
- 1.5 All references to competitive tenders and quotations within these CPRs shall apply (with such changes as are appropriate) equally to circumstances where the contract involves the receipt of income by the Council or the disposal of any asset or undertaking by the Council, as they do to purchases to be made by the Council, unless specifically stated otherwise.
- 1.6 All Procurement & Commissioning activities must be incorporated into Annual Departmental Procurement Plans (DPP's) and approved by the Strategic Commissioning and Commercial Board (SCCB) in advance of inviting tenders or requesting quotations (CPR11);
- 1.7 All Procurement and Commissioning activities over £25,001 require the engagement of Corporate Procurement;

A copy of the signed emergency certificate should be forwarded to the Chief Finance Officer and the Head of Legal and Corporate Compliance.

Guidance should be sought from Corporate Procurement where assistance is required in estimating contract values.

- 19.2 When engaging with potential suppliers, the Council must not seek or accept technical advice on the preparation of an Invitation to Tender or Quotation from anyone who may have a commercial interest in them, and where this may prejudice the equal treatment of all potential bidding organisations or distort competition. - (b) Where such an error(s) occurs, the tenderer shall be given details in writing (but no other information) and afforded the opportunity of confirming the tender submission as corrected or withdrawing his tender, also in writing.
- (c) Where deemed reasonable and in the best interests of the Council, the Chief Officer shall have the discretion to consider a request from the tenderer to correct genuine arithmetical errors. If the tenderer elects to amend his original tender figure to correct such errors and the corrected tender is still the lowest or most economically advantageous tender, then the tender may be adjusted and the corrected figure recommended for acceptance. If such errors result in a tender sum being reduced, then only the corrected figure may be recommended for acceptance.
- (d) If the first tender is withdrawn, the second lowest or second most economically advantageous tender is to be checked, if necessary, this tenderer must be given a similar opportunity.
- (e) The Managing Director, the Head of Legal & Corporate Compliance and the Chief Finance Officer shall determine whether any exception to the above procedure should be authorised.

Where the Council determine the explanation is insufficient or believe significant doubts as to the Contractors ability to meet the requirements still exist, the Council reserve the right to reject the tender. 48.4 In circumstances where the Corporate Leadership Team (CLT) in conjunction with the Head of Legal and Corporate Compliance, relevant Executive Member and Leadership, determine that the contract is of such high value and/or complexity that it is deemed appropriate, a report may be prepared for the Executive Committee to consider acceptance of the tender.

It should be made clear that the debriefing process cannot be used to change the choice of a contractor or to re-open the selection process.
 - (iii) any potential supplier is asked to withdraw or withdraws during the Procurement.

APPENDIX 2 TO SECTION 18

Protocol - Standard of Conduct Expected by Members

This protocol sets out the standards of conduct expected from Members within Blaenau Gwent County Borough Council in dealing with each other. - 4.2 if dealing with any matter relating to another electoral division:
 - 4.2.1 explain to anyone seeking assistance that he/she is not the local Member;
 - 4.2.2 inform the local Member, unless it would lead to a breach of confidentiality.

APPENDIX 3 TO SECTION 18

Local Procedure for dealing with allegations that a Member has breached the Code of Conduct or the Protocol on Member/Officer relations

1. Introduction

- 1.1 The Local Protocol for Blaenau Gwent County Borough Council aims to promote good co-operation between Members and Officers and exemplary standards of behaviour by Members thus allowing the Council to carry out its duties efficiently and professionally.
- 1.2 Legislation sets out a statutory regime whereby complaints for breaches of the Member's Code of Conduct are referred to the Public Services Ombudsman for Wales (the Ombudsman).
- 1.3 The Ombudsman has the direction to decide whether allegations of breaches of the Member's Code of Conduct will be investigated. This Protocol is designed to deal effectively with those complaints which are not suitable for reference to the Ombudsman or which would benefit from a local determination.
- 1.4 It is important that any allegations made under this protocol are dealt with quickly and effectively.
- 1.5 The purpose of this procedure is to introduce a simple and clear method of dealing with such allegations.

2. Complaints by Officers against Members

- 2.1 The Managing Director will be the Lead Officer on all complaints by Officers against Members. The Complainant retains the right to refer the matter to the Ombudsman at any time in the process. The Managing Director retains the discretion to refer the complaint to the Standards Committee under stage 3 of the procedure below, with the consent of the Chair of the Standards Committee. The Managing Director should advise the Monitoring Officer of any complaint received, as the Monitoring Officer's role is to ensure that due process is followed.

2.2 It is hoped that any potential problems may be resolved by early discussion between the Members involved and the Managing Director. If this proves impossible the Managing Director may, in consultation with the Chair of the Standards Committee, refer the matter to the Standards Committee and invite them to reach a view as to whether the Protocol has been breached. The view of the Standards Committee will be reported at a Council meeting. The Standards Committee will follow Stage 3 of the Procedure.

3. **Complaints Against Councillors by Other Councillors**

3.1 Complaints against Members by another Member/s will be dealt with under the following three stage procedure.

4. **Procedure**

4.1 **Stage One of the Procedure: Making the Complaint**

- (i) Any Member who wishes to submit an allegation under this Protocol should send the complaint to the Monitoring Officer. Following receipt of the complaint the Monitoring Officer will advise whether the allegation falls within this Protocol or whether the complainant should consider referral to the Ombudsman as an allegation of breach of the Members' Code of Conduct.
- (ii) If following the first stage the Member wishes to proceed with the allegation under this procedure, the matter may be referred either to an informal resolution under Stage 2 or to a hearing by the Committee under Stage 3.

4.2 **Stage Two of the Procedure: Informal Resolution**

- (i) At Stage Two, the complaint (if both parties agree) will be referred to the Managing Director who will contact the Member against whom the complaint is made and, if appropriate, the Leader of the relevant political group, to try and resolve the matter informally. The Managing Director may ask the Member complained about whether he or she may wish to consider whether to rectify the situation by, for example, offering an apology or withdrawal of a remark.
- (ii) The Managing Director may decline to undertake Stage Two and with the consent of the Chair of the Committees refer it immediately to Stage Three.

- (iii) If necessary, the Managing Director can call on the Monitoring Officer, the Deputy Monitoring or Legal Officer for advice and assistance.

4.3 Stage Three of the Procedure: Hearing before the Standards Committee

- (i) If either party remained dissatisfied with Stage two, then with the consent of the Chair of the Committee, the Third Stage of the hearing is before the Standards Committee. The Member making the complaint will be asked to submit the substance of the complaint in writing, and the Member who is the subject of that complaint will be asked for a written response. These papers, together with any additional written evidence that is submitted by either side will be distributed to the Members of the Standards Committee.
- (ii) Both the Member making the complaint and the Member complained against have the right to appear before the Committee and to submit evidence from witnesses. Both will have the right to representation or to have a colleague present. The Council will not meet the cost of representations.
- (iii) If either side wishes not to be present or fails to attend, the hearing may be held in this absence.
- (iv) After the evidence has been heard, both sides and their representatives will be asked to leave the Chamber and the Committee will come to a conclusion on the allegation. The Monitoring Officer will advise the Committee.
- (v) The Committee can come to one of three conclusions, namely:-
 - (a) That there is no basis to the complaint.
 - (b) That there is a basis to the complaint but that no further action is required.
 - (c) That there is a basis to the complaint and that the Member should be censured.

The conclusion by the Committee will be reported to Council. In addition, the Committee can make recommendations to the Council regarding changes to any procedures or taking any further action.

5. Other Matters

- 5.1 (i) Publicity will not be given to the names of the Members involved unless it is decided to uphold the complaint and that the Councillor should be censured. The hearing before the Committee will be exempt ie not open to the public.

- (ii) Stages Two and Three do not have to be followed sequentially. Although it is possible for a Member who remains dissatisfied after the invention of the Managing Director to ask for the matter to be referred to a hearing before the Committee, it is also possible for a matter to proceed directly to the Committee without being first submitted to the Managing Director, provided the Chair of the Standards Committee agrees.
- (iii) The aim of this Procedure is to try and resolve complaints regarding Members quickly and effectively. Nothing in this procedure prevents an Officer or Member from submitting a complaint to the Ombudsman that a Member has breached the Code of Conduct at any time before Stages Two (in the case of a Member) or Three (in the case of either an Officer or a Member) of the Procedure is engaged.
- (iv) This Protocol is not designed for use by Members of the Public. If there is a complaint by a member of the public against Officer conduct or Member conduct, then that should follow normal processes, either through a complaint to the Managing Director / Head of Paid Service or relevant Chief Officer in respect of an Officer or to the Monitoring Officer and/or the Ombudsman in respect of a Councillor.

APPENDIX 4 TO SECTION 18

Social Media Protocol

Use of Social Media

Social media is the term commonly given to websites and online tools which allow users to interact with each other in some way – by sharing information, opinions, knowledge and interests. Examples of social media websites include (this list is not exhaustive):

- social networking (e.g. www.facebook.com)
- video sharing (e.g. www.youtube.com)
- blogs (e.g. www.london2012.com/blog)
- micro-blogging (e.g. www.twitter.com)
- message boards (e.g. <http://forums.moneysavingexpert.com>)
- wikis (e.g. www.wikipedia.org)
- social bookmarking (e.g. www.delicious.com)

Scope

Members can all freely access social media sites, from home, mobile phones, internet cafes, libraries, etc. This activity needs to be handled in a sensible and considered way so that neither you nor the Council is put at potential risk of embarrassment, loss or criminal proceedings.

The Council acknowledges the right of members to freedom of expression; however, you must be aware of the potential legal implications of material, which could be considered abusive or defamatory.

In order to ensure confidentiality and the reputation of the Council are protected, you are required when using Social Networking sites to:

- Ensure that you do not conduct yourself in a way that is detrimental to the Council
- Not refer to the Council, its employees, or other members in a way that is detrimental to the Council or its employees / members.
- Not publish any content, which may result in actions for defamation, discrimination, breaches of confidentiality or copyright, data protection or other claims for damages. This includes, but is not limited to, material of an illegal, sexual or offensive nature that may bring the Council into disrepute

- Not post images of clients, service users or incidents
- Not send or post abusive or defamatory messages. Social networking websites are a public forum; do not assume that your entries on any website will remain private
- Take care not to allow your interaction with others on these sites to damage working relationships between members of staff, clients, service users or partner agencies
- Not use Council logos on personal web pages
- Be aware that information shared with a third party could be published by them and attributed to you implicitly or explicitly

You should always use your own judgement but should bear in mind the principles of the Members' Code of Conduct and other policies which are part of your professional requirements.

You should notify the Monitoring Officer:

- If you receive press or media contact regarding the content of your personal web page which relates to your role as a Member or the work of the Council
- If you are unsure as to the appropriateness of information or images you want to publish on your personal web page.

Other things to consider include:

- Journalists increasingly use the web to research stories and may report photographs or comments they may find. Similarly, customers and clients are able to search the Internet for information on Council members they have involvement with. Check your security settings on social networking sites so that your information is only visible to the people who you want to see it
- Put your name into an Internet search engine to see what people can find out about you. Are you happy with what they can see?

Breach of the Members' Code of Conduct

Be aware that inappropriate use of the internet could result in possible breaches of the Code of Conduct. If in doubt, please seek advice from the Monitoring Officer.

SECTION 19

19. PROTOCOL FOR PUBLIC SPEAKING AT PLANNING COMMITTEE

Who May Speak? – The Chair will allow one party to speak to put each side of the case. The order of speakers will be:-

- The Chair will introduce the items. The Planning Officer will present the case and address any late correspondence.
- One objector (if there is more than one objector, they must nominate a spokesperson. If agreement cannot be reached amongst objectors, only the first person to register their interest will be allowed to speak).
- One supporter of the scheme.
- One representative of the Town or Community Council.
- Where they are not ready on Planning, the Ward Member(s) in whose Ward the application falls.
- The applicant or his/her agent.

How to Register to Speak? – Planning Committee usually meets on the first Thursday of the Month. In order to speak a slot must be previously arranged by giving your name and contact details in writing/email to the Planning Control Section by 12.00 Noon on the Tuesday of the week of Committee. It must also state whether an individual supports or objects to the application. Ward Members need to register.

Individual details will be made public as other speakers may wish to approach you to ensure you cover areas of mutual concern. Failure to register the wish to speak by the deadline will result in the right to speak being lost.

The request to speak must be submitted separately to any other written representations which you may be sent to the Council regarding the application. It should be noted that if a request to speak at Committee will be disregarded if the application is to be decided under delegated powers.

Length of Speaking – Each speaker will be allotted a maximum of 5 minutes. This time limit will be strictly enforced, the distribution of plans/maps, photographs or other papers will not be allowed. In exceptional cases, more than one person may be allowed to speak either for or against a proposal. This will be at the discretion of the Chair and will be limited to major planning applications or schemes that have generated significant public interest.

What Can Be Said? – Any speech should be limited to the relevant planning issues such as the Development Plan, Government policy/guidance, visual appearance/impact or highways considerations. Issues such as devaluation of property, land disputes and competition between businesses are not relevant and will be disregarded by the Planning Committee.

- The Planning Committee must make its decision in accordance with strict rules. It cannot approve an application simply because a number of people are in support – or alternatively refuse planning permission because a number of people object. Each and every decision must be made based on sound and defensible planning reasons.
- Speakers are advised that they are personally accountable for what they say. They must avoid personal comments, any comments of a racist or offensive nature may be referred to the Police. The minutes of the meeting will record the name, address and content of the statement. The Committee forum does not absolve the individual's responsibilities under laws of defamation.
- Any points that may have been raised in any written objections, will be included in the officers' report.
- At the discretion of the Chair, individuals may be asked to answer questions raised by Members of the Planning Committee.
- Applicants are advised that it is their responsibility to check when an application is to appear before Planning Committee. The Council will not notify applicants or their agents that a person has registered their right to speak for or against their application at Planning Committee.

At the Committee

- The Chair conducts the meeting and retains the right to manage proceedings to ensure that all parties have a fair hearing (subject to the Constitution).
- The Chair will intervene if the time limit is exceeded and may adjourn the meeting. Repeating points that have already been adequately addressed or inappropriate remarks or abusing the right to speak before Committee should be adjourned
- Having confirmed the arrangements of the Committee beforehand, individuals should attend at least 20 minutes before the meeting begins and introduce themselves to an officer of the Council who will be present to greet speakers.
- An item will not be deferred if any person who has registered to speak fails to attend the meeting.
- The Council operates a policy of conducting and recording meetings in the medium of English. If however there is a wish to address the Planning Committee in Welsh this must be notified to the Council so that translation arrangements can be made.

What happens if the application is deferred? – This Policy only applies to the first hearing of the application at Planning Committee. If a site visit of the Planning Committee is arranged, further speakers will not normally be allowed unless the Chair, under advice from the Head of Legal & Corporate Compliance, considers it is necessary in order to come to an informed decision.

1. PURPOSE

1.1. The Council exists for the benefit of, and is accountable to, the people of Blaenau Gwent. They are entitled to expect conduct of the highest standard from their Council's employees.

1.2. This Code of Conduct for Employees sets out standards of conduct expected of you and applies to all employees, with the exception of School Teachers who have their own arrangements.

1.3. This code has been written for the effective operation of Council business and the wellbeing of its employees. All employees are expected to act in accordance with the Code - failure to do so may result in action in line with the Council's Disciplinary Code.

1.4. The various sections of this Code summarise the key policies and procedures in respect of behaviour and the way you are required to work.

1.5. This code of conduct is not exhaustive and does not replace the general requirements of the law, common sense and good conduct. Please also see section 9 - Professional Qualifications, Registrations and Conduct.

2. MANAGER'S RESPONSIBILITIES

2.1 Managers are responsible for the application of this policy in their service area.

2.2 Managers must ensure this Code is adhered to and:

- Set a positive example with their own behaviour.
- Ensure standards in the Code are established and communicated.
- Effectively record and update declarations of interest, gifts and hospitality (this information may be held centrally in the Directorate/Service if appropriate).
- Provide clarification, where required, to improve employee understanding.
- Take appropriate action at the earliest opportunity to manage non-compliance with the standards set out in this Code.

3. EMPLOYEE'S RESPONSIBILITIES

3.1 You must consider this Code carefully and comply with it fully as it forms part of the terms and conditions of your employment. If you do not understand something in the code you should ask your manager to explain it to you.

3.2 You are expected to:

- Maintain conduct of the highest standard so public confidence in your integrity is sustained.
- Ensure your conduct reflects the Council's values and competencies.
- Declare any actual/potential conflict of interest as soon as is reasonably practicable.
- Incorporate and promote equality in all that you do.
- Perform your work to the best of your ability and in accordance with the Council's policies and procedures. Where performance falls short of the required standard you should work with your manager, complying with any improvement plans, to improve your performance to the required standard.
- Not use any information obtained in the course of your employment to cause damage to or bring disrepute to the Council, or for personal gain or benefit. Nor should you pass information on to others who may use it in such a way. Also, you must not access information that is not specifically required to enable you to undertake your role with the Council.
- Abide by the General Data Protection regulation and the Good Practice Guidance that the Council provides in the area of Information Security.
- Familiarise yourself periodically with the latest version of the Code and comply with it at all times.

3.3 If you are aware that someone else is breaching the code, the Council has a Whistleblowing Policy to enable employees to raise concerns in an appropriate manner and to ensure that they do not suffer any detriment as a

result of doing so. The policy is available on the Council's intranet and from the OD Division.

4. PUBLIC FUNDS

4.1 The Council has responsibility for the administration of public funds and the importance of probity, financial control and honest administration cannot be overstated.

4.2 Where you have direct responsibility for financial transactions e.g. the ordering of goods or services, you must comply with the Council's Financial and Procurement Regulations.

4.3 If you are found to have claimed entitlement to a government benefit or service (i.e. Council or Housing Benefit, Direct Payment, Blue Badge, Council Property etc. from the Council or another local authority), either directly or indirectly, and failed to disclose accurately/fully your financial or other circumstances that may affect your entitlement to the benefit or service, this would be regarded as gross misconduct, and you may be dismissed. Such cases may also be passed to the Police.

5. CUSTOMERS

5.1 You should ensure courteous, efficient and impartial service to all within the community. Antagonistic or aggressive behaviour is not acceptable. If you work with customers who behave aggressively you must familiarise yourself with the Violence and Aggression at Work Policy.

6. EQUALITIES

6.1 Your commitment to equality in all aspects of your work is fundamental to effective service delivery and working relationships.

6.2 All members of the local community, customers and colleagues have a right to be treated with fairness and equity.

6.3 The Public Sector Equality duty applies to all decisions made by the Council. The duty includes the need to promote equality for persons with “protected characteristics” i.e. age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation, Welsh Language, and have due regard to the need to i) eliminate discrimination, harassment, and victimisation; ii) advance equality of opportunity; and iii) foster good relations between persons who share a relevant protected characteristic and those who do not share it.

6.4 Employees should familiarise themselves with the Council’s Dignity at Work Policy. The Council will not tolerate discriminatory behaviour, including harassment, which will be dealt with using the Disciplinary Code and may lead to criminal proceedings.

7. HEALTH AND SAFETY

7.1 You have a duty of care and must not act wilfully or intentionally in a manner liable to place the public, your colleagues or yourself at risk.

7.2 You must display your identity card at all times on Council premises. An exception can be made if displaying your identity card (or other Blaenau Gwent logos) could put you at risk, and a risk assessment is in place to this effect. In such circumstances the ID must be retained on your person and must be offered for inspection if required by an authorised person.

8. STANDARDS OF DRESS AND APPEARANCE

8.1 You must ensure standards of dress and personal ornamentation are appropriate in relation to your duties. Inappropriate dress can create offence or be interpreted as disrespectful.

8.2 The Council values the diversity of its workforce and will take into account ethnic and religious dress requirements by ensuring you are free to observe them.

8.3 In all cases you are expected to wear any uniform issued for health and safety reasons.

9. PROFESSIONAL QUALIFICATIONS, REGISTRATIONS AND CONDUCT

9.1 If your employment with the Council is in a post which requires you to be registered with a statutory and/or professional organisation, to hold membership of a professional body or hold any other qualification, it is your duty to ensure you are able to comply with the relevant obligation(s). You will be requested to provide evidence of compliance. You should also comply with any duty you may have to inform your professional body of a matter which may impact on your registration or membership. You should also inform your line manager of the matter.

9.2 You must ensure that the relevant code of practice is followed during the course of your duties, which includes formal reporting to the professional body on any matter where there is a duty to do so.

9.3 If you belong to a profession that has a specific Code of Practice it is your responsibility to comply with both the Council's code and the code relating to your profession. If there is any conflict between the Council's code and your professional code, please seek the advice of your Line Manager or the Organisational Development Division. However, the approach should be that you must comply with the most demanding/highest level requirement(s), whichever code contains it.

10. DECLARATION OF FINANCIAL AND OTHER INTERESTS

10.1 You must declare in writing to your manager, using the declaration form (see the Intranet) any financial or other personal interest - whether direct or indirect - or association with any Council activity, which could cause an actual or potential conflict of interest.

10.2 You are responsible for ensuring you keep your manager informed of any change of circumstance that gives rise to a need to submit or update your declarations. Declarations should be made in writing/by email using the appropriate form.

10.3 It is your responsibility to take all reasonable steps to ensure you do not place yourself or the Council in a position where there could be a conflict of interest. This responsibility does not end when you have submitted a

declaration form. For example, if you are present at a meeting on another matter and an issue comes up that you have a potential or actual interest in, you must declare this to the meeting and excuse yourself from the meeting if practicable or at the very least have no part in any discussion or decision making on the relevant issue.

11. CONFLICTS OF INTEREST - THE KEY TEST

11.1 You should ask yourself the question “Would a member of the public think that my family, close friends or I would benefit from the connection between my personal interest and my employment?”

11.2 If the answer is yes then you must declare the interest by informing your Line Manager as soon as is reasonably practicable by completing the Declaration of Interest Form. All Directorates are responsible for maintaining a Register of Declarations of Interest for their employees. However, individuals are free to take part in activities organised and authorised by the Trade Unions without declaring an interest.

11.3 If you are involved with granting permissions or benefits, for example, planning permission, you must take no part in considering any application made by yourself, a relative, friend, neighbour or anyone you have a close personal association with.

12. DEFINITION OF RELATIVE

12.1 A relative means a spouse (husband or wife), partner, parent, parent-in-law, son, daughter, step-son, stepdaughter, child of a partner, brother, sister, grandparent, grandchild, uncle, aunt, nephew, niece, or the spouse or partner of any of these people. “Partner” means a member of a couple who live together.

13. CONDUCT OUTSIDE OF WORK

13.1 Your off-duty hours are your personal concern but you should not put yourself in a position where there is a conflict of interest between your private life and public duties. If, for example you are a member of a society, club or association which may cause a conflict of interest you must declare this using the declaration form (see appendix 1).

13.2 Any questions or statements you wish to submit as a citizen to public Council meetings must be drafted and sent in your own time and using your own resources (i.e. not with work email). You must be clear that you are doing so as a citizen and not as a Council employee. You should not lobby a Councillor inappropriately on personal employment matters. If you are unsure about the process you are advised to speak to your manager. This does not restrict your right to raise concerns regarding possible malpractice under the Council's Whistleblowing Policy.

13.3 The Council reserves the right to bring action against you where your conduct outside work conflicts with your public duties, i.e. where your conduct outside of work could undermine the Council's reputation or public confidence.

13.4 You must disclose information which is relevant to your capability, capacity and suitability to carry out the duties and responsibilities for which you are employed. You must immediately inform your manager in writing (where this Code requires notification in writing, email is acceptable) if, during your employment with the Council, you are subject to any of the following, which it would be reasonable to understand may impact upon your role, professional standing or the reputation of the Council:

- Advised that you are under investigation for a criminal act (including road traffic offences).
- Arrested in connection with a criminal act.
- Notified that criminal charges are being considered against you.
- In receipt of a summons to appear before a Court of Law for an alleged offence.
- Found guilty and convicted of any offence.
- Given a police caution.

13.5 Notwithstanding the above, Employees whose role requires a DBS check must ensure they comply with the all the requirements of the DBS process.

13.6 If you are required to drive as part of your duties you must also declare any penalties received in connection with motoring offences that may impact your ability to undertake your role. Fixed penalties for offences such as speeding do not need to be declared unless they include a driving ban.

13.7 In all cases, a failure to disclose relevant information or the deliberate withholding of such information can amount to a breach of trust and confidence and may lead to disciplinary action up to and including dismissal.

13.8 Serious misconduct or criminal offences committed during or outside working hours, which bring you or the Council into disrepute, will be subject to disciplinary action under the Council's Disciplinary Code, and may result in dismissal.

14. SECONDARY EMPLOYMENT

14.1 You may undertake secondary employment such as: work on a voluntary, fee-paying or recognition-in-kind basis; or engage in any other business; as well as secondary employment within the Council itself.

14.2 Appointments as Governors, Councillors of other local authorities, membership of the Territorial Army, Justice of the Peace etc., do not constitute secondary employment.

14.3 Your working time should not exceed an average of 48 hours per week, taking into account secondary employment.

14.4 If you are paid up to and including spinal column point 28 (or equivalent basic pay pro rata) you must notify your manager of any secondary employment undertaken.

14.5 If you are paid above spinal column 28 (or equivalent basic pay pro rata) you must obtain the consent of your Chief Officer prior to engaging in any other business or taking up any secondary employment. You must subsequently keep your Chief Officer advised of any changes to your secondary employment.

14.6 You may also be required to disclose your total working hours, to enable the Council to monitor your hours worked to comply with the Working Time Regulations.

14.7 Any secondary employment must not be carried out during your contracted Council working hours, nor whilst on standby for official callout purposes, unless such employment can be undertaken from your home. You are also not permitted to use Council property, equipment or associated documents or communications.

14.8 Any secondary employment outside the Council must not conflict with the Council's interests, or bring it into disrepute. You may not set up a business, or accept a job with a business, which is in direct competition with the Council.

14.9 Your declaration of secondary employment does not remove the right of the Council to take action if it is deemed to be detrimental to the interests or reputation of the Council, or where it affects your work performance.

14.10 You may not become a trustee or board member of any organisation which receives any form of funding from the Council unless you have the express consent of your Chief Officer, who will consider this in consultation with the Monitoring Officer.

15. PROBITY OF RECORDS AND OTHER DOCUMENTS

15.1 If you falsify records or other documents to secure pay or another financial benefit for yourself or others, this is regarded as a criminal offence as well as a serious disciplinary matter.

15.2 Such falsification is dealt with in accordance with the Council's Anti-Fraud, Anti-Corruption, & Anti-Bribery Policy.

15.3 Where deliberate falsification is intended to gain a nonfinancial advantage such as flexi- time credit, the Council will regard this as a serious disciplinary matter. Any deliberate falsification of records or other documents may lead to dismissal.

16. FINANCIAL INDUCEMENTS, GIFTS AND HOSPITALITY

16.1 It is an offence to accept any fee or reward whatsoever other than your proper pay. You may receive offers of inducements and it is important you are able to recognise what is, and what is not acceptable; it is advisable to discuss these with your manager.

16.2 On no account should an employee knowingly accept secondary employment or a financial payment from any person, body or organisation who have a professional relationship with the Council or are seeking to establish such a relationship e.g. contractors, developers, consultants.

16.3 Gifts may only be accepted when they are low value i.e. up to £20. Regardless of whether the gift is accepted or not it must be registered by writing/email to your manager, who will record it on the Directorate/Service Register of Gifts and Hospitality (see appendix 2). You should never accept significant gifts (i.e. worth more than £20) or hospitality from service users, actual or potential contractors or outside suppliers.

16.4 Normally, visits by employees to exhibitions, demonstrations, conferences, business meals, and social functions, in connection with their official duties shall be at the Council's expense.

16.5 Where hospitality, in the form of meals and drinks, is offered by a third party, this is normally only acceptable where it forms part of, or immediately follows on from, normal business meetings/discussions held during the normal working day.

16.6 Where offers of hospitality are made, e.g. invitations to dinners, these should only be accepted if there is a clear and demonstrable benefit to the Council, and the hospitality would not expose the Council to criticism that the provider of the hospitality was achieving undue influence. Attendance must have the Chief Officer's approval in advance, and will be recorded in the Directorate/Service Register of Gifts and Hospitality.

16.7 Offers of hospitality in the form of purely social events and sporting occasions should on no account be accepted when these are from organisations with which the Council has commercial links. However, invitations to social events from non-commercial organisations with which the Council has a partnership arrangement will be acceptable, but must have the Chief Officer's advance approval, and must be recorded in the Directorate/Service Register of Gifts and Hospitality.

16.8 Regular social contact e.g. drinks in a public house, with representatives of organisations, which supply, or hope to supply, goods or services to the Council must be avoided. Where such instances do occasionally take place, i.e. after late working, officers should ensure that they “pay their way” and that the other party does not meet the costs of such contact in full. For their own protection, employees should record such events in the Directorate/Service Register.

16.9 Directorate/Service Registers of Declarations of Interest and Gifts and Hospitality will be liable to Audit inspection.

16.10 Apart from participating in concessionary schemes arranged by trade unions or other such groups for their members, you should not engage the services of contractors commissioned by the Council when acquiring materials, labour or plant at cost, trade or discount prices. Whilst this may enable you to make savings compared with other suppliers, you face the risk of being in a compromising situation, and bringing the Council into disrepute – this is not acceptable and cannot be over-emphasised.

16.11 The acceptance of, or giving of a gift to obtain financial or other advantage, is a criminal offence, as is a threat or retaliation against someone refusing to commit a bribery offence (Bribery Act 2010). The prevention, detection and reporting of bribery is the responsibility of all those working for the Council or under its control. All workers are required to avoid any activity that might lead to, or suggest, a breach of the Bribery Act 2010.

17. PROMOTIONAL OFFERS AND PRIZES

17.1 If you are responsible for the purchase of goods and supplies, any promotional offers or prizes given by suppliers are the Council’s property. These promotional offers may take the form of a free gift, holiday offer or vouchers. Promotional offers should only be used for the benefit of the Council, and your Chief Officer will decide how offers are used. Promotional offers should be discussed with your manager and recorded on the Register of Gifts and Hospitality, whether accepted or declined.

18. PUBLIC CONCERN AND WHISTLEBLOWING

18.1 The Council does not tolerate any form of malpractice. You have an important role to play in reporting any concerns, and are expected to co-operate with investigations. Although it is often difficult for employees to report legitimate concerns through fear of victimisation or reprisal, please be assured that in raising concerns you will be supported. Please refer to the Whistleblowing Policy for more information.

19. SAFEGUARDING

19.1 There is a statutory requirement for the Council and its employees to protect children and vulnerable adults. If you have any safeguarding related concerns, you are responsible for speaking promptly to your line manager or another manager about your concerns. You should seek guidance from your line manager or safeguarding lead as necessary.

20. EMPLOYEES IN POSITIONS OF TRUST

20.1 If you have a caring role or provide a direct personal service you may experience situations where you could benefit financially. For example, people in residential care homes may express their thanks to you by offering significant gifts, money or even making you a beneficiary of their will. You should refuse such 'gifts' politely and explain why you cannot accept them before reporting this matter to your line manager.

20.2 If you, your partner or family have been made a beneficiary in the will of a service user, you should tell your line manager immediately.

20.3 You, your partner and family must not have any financial dealings with any service user to whom the Council provides services, and must not borrow money or property, nor act as executor of a service user's will, except where this is a specific requirement of your post and only within the specific boundaries of your duties.

20.4 You must not give financial advice to service users except where this is a requirement of your post and within the specific boundaries of your duties.

20.5 Where a customer is dependent upon you for a service or has special needs, you must not compromise this relationship; avoid unprofessional emotional or physical interaction or sexual interaction with a service user. If you suspect such behaviour on the part of a colleague you must tell your manager immediately.

20.6 If you work with children or vulnerable adults you must inform your line manager immediately if you are subject to a criminal conviction, caution, ban, police enquiry or pending prosecution – this is essential in helping to safeguard children and vulnerable adults.

21. CONTRACTS & CONTRACTORS

21.1 When dealing with contractors, you should be clear on the separation of the client and contractor roles within the Council. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness.

21.2 The code of conduct does not preclude anyone from having the opportunity to tender for business. However the process must be, and be seen to be, fair, open and transparent

21.3 Under section 117 of the Local Government Act 1972 you must disclose any interest in an existing or proposed contract in writing as soon as is reasonably practicable.

21.4 If you engage or supervise contractors, or have an official relationship with existing or potential contractors, and have had or have a relationship in a private or domestic capacity, you must declare that relationship to your Chief Officer (this means relationship with a director or employee of the contractor). You must ensure no special favour is shown to current or former partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior capacity.

21.5 If you carry out competitive tendering services - directly or indirectly - you must declare to the Chief Officer your membership of, or affiliation to, any organisation, which may have an interest in tendering for the service.

21.6 Where a contract awarding process is under way you must withdraw from, or otherwise play no part in that process if you have an interest or potential interest and must comply with any written guidance issued by your Chief Officer, the Monitoring Officer or any other appropriately qualified Senior Officer of the Council.

21.7 You may not set up a business, or accept a job with a business, which is in direct competition with the Council. If you are contemplating a management buyout, or any arrangement to provide a service similar or identical to that provided by the Council you must, as soon as you have formed a definite intent, notify your Chief Officer.

21.8 If you are planning setting up competing businesses to the Council you must not use confidential information obtained during the course of your duties.

21.9 No materials, information (including contacts, property or other resources) are to be accessed or used by you in the course of planning your competing business during or after your employment with the Council. Where such access or use takes place the Council will vigorously pursue its rights.

22. SPONSORSHIP

22.1 Where the Council sponsors an event or service, you, your partner, spouse or relative must not benefit from the sponsorship. You must seek guidance from your Chief Officer if you are involved with an event or service which the Council proposes to sponsor.

22.2 Where the Council gives support in the community, through sponsorship, grant aid, financial or other means, you should ensure that impartial advice is given and no conflict of interest exists.

22.3 Where an outside organisation wishes to sponsor a local government activity by invitation, tender, negotiation or voluntarily, the rules concerning acceptance of gifts and hospitality apply.

23. POLITICAL NEUTRALITY

23.1 You must not allow your personal or political opinions to interfere with your work.

23.2 You serve the Council as a whole and must serve all elected Members - not just those of the controlling group - and must ensure the individual rights of all Councillors are respected.

23.3 Whilst engaged in Council business you must not wear or display any objects indicating support for or opposition to any political party or view. This applies to private vehicles used whilst undertaking Council business.

23.4 If your post is not politically restricted (see below) you may campaign on behalf of a political party. However, when engaged on Council business you must remain politically neutral and not allow your personal or political views to interfere with your duties.

23.5 If your post is politically restricted you will be advised upon appointment of restrictions and must comply with these.

23.6 Advice to political groups must be given by, or with the consent of, the relevant Chief Officer, who will ensure advice is given in ways which do not compromise political neutrality. Any advice given should be impartial, objective and helpful.

24. COUNCILLORS

24.1 Mutual respect between employees and Councillors is essential to good local government. Close personal familiarity between employees and Councillors can damage the relationship and prove embarrassing to other employees and Councillors and should be avoided.

24.2 You must declare any personal relationship with a Councillor. Where the relationship could present a conflict of interest, your manager will need to consider how this will be effectively managed.

24.3 The Council has a Protocol on Employee/Member Relations, which can be found in Section 21 of the Council's Constitution. You must comply with the protocol as well as this Code of Conduct.

24.4 Complaints against Members by employees

The Council has a Code of Conduct for Members, which can be found in the Council's Constitution. There is a local protocol for dealing with complaints against Members by employees for breaches of this Code.

24.5 This is in addition to and does not preclude the option of redress via The Ombudsman, which has always been available to employees.

24.6 If you have concerns about a possible breach of the Code of Conduct for Members and/or wish to make a complaint please contact the Managing Director, who will be able to confidentially discuss your concerns and advise you of the options available.

25. THE MEDIA

25.1 Approaches from all national press, radio or TV stations or specialist press should be directed to the Corporate Communications Team, who will discuss the nature of the story and then contact the appropriate Officer or Member asking them to respond. You are not permitted to communicate with the media on matters relating to the activities of the Council without authorisation from the Corporate Communications Team. If you are contacted by journalists you should refer them to the Team.

25.2 This is not intended to prevent or deter lawful whistleblowing and does not affect your right to speak on trade union issues, whether as an individual or as a TU representative.

25.3 If you wish to write material for publication which does not refer to the Council, but relates to your profession (e.g. an article in a professional journal), advise your manager before publication. The article should also contain a disclaimer, which states that the views are those of the individual and not of the Council.

26. OTHER EMPLOYEES

26.1 The provisions of this section apply equally to relationships with colleagues not directly employed by the Council, e.g. co-workers from organisations with which the Council is in partnership.

26.2 You must treat colleagues with courtesy and respect, and must not abuse them verbally or physically. You must not harass or bully or be insubordinate to colleagues and must comply with the standards set out in this Code in relation to Equalities.

26.3 Employees are expected to treat each other with respect and in a manner which is professional, courteous, non-aggressive and helpful.

26.4 The Council recognises that employees who work together may form personal friendships and in some cases close personal relationships. While it does not wish to interfere with these personal relationships, it is necessary to ensure that all employees behave in an appropriate and professional manner at work.

26.5 Any employee who is involved in a close personal relationship with a colleague, contractor, client, customer or supplier must not allow that relationship to influence his/her conduct while at work. There are situations when a personal relationship between employees becomes a management concern and they may unintentionally impair operational efficiency or affect the integrity of service delivery. You must declare any personal relationship with another employee, where the relationship could affect, or could be perceived to affect your or any colleagues' performance.

26.6 Intimate behaviour during work time, for example kissing, touching or holding hands, is expressly prohibited. This applies during all working time, whether at the normal workplace, on clients' premises or elsewhere. Any breach of this rule will be regarded as a serious disciplinary offence, which could lead to disciplinary action up to and including dismissal.

26.7 Line Management of Relatives

Line management of an employee by a relative is to be avoided wherever possible, to avoid conflicts of interest or allegations of nepotism or favouritism. In a situation where a line manager may be required to manage a relative, efforts will be made to relocate one of the parties.

26.8 Line management of relatives in existence prior to the adoption of this policy will not be affected, unless issues arise that lead/could lead to a conflict of interest or adversely affect the running of the service. If such a situation arises then the above procedures will apply.

26.9 In any situation where employees in a personal relationship work in close proximity, the Council reserves the right (without breach of contract) to require one or both employees to change their roles or duties. This is intended to avoid the employees in a relationship finding themselves in a potentially difficult situation and to avoid perceptions of undue influence or unfairness (whether real or imagined).

27. APPOINTMENTS AND OTHER EMPLOYMENT DECISIONS

27.1 Appointments must be made on merit. The relevant procedures are detailed in the Council's Recruitment Charter and Code of Practice.

27.2 Relatives and close personal friends can apply for jobs and will be considered on the basis of their suitability for the role. They should declare their relationship to you on the appropriate section of the application form.

27.3 In order to avoid any possible accusation of bias, you should not be involved in any stage of an appointment if you are related to an applicant, or have a close personal relationship with them outside work.

27.4 You should not be involved in decisions relating to discipline or other sanction, or in decisions relating to pay, if you are related to, or have a close personal relationship with, the employee who is subject to that decision.

28. USE OF COUNCIL TIME, PROPERTY, FACILITIES OR EQUIPMENT

28.1 You must spend all of your contracted hours working for the Council.

28.2 The Council's property and facilities are provided for official Council business. You are responsible for taking reasonable steps to ensure the safety and security of any equipment provided to you. All Council-owned equipment and devices must be returned on leaving Council employment and any Council-

owned or supplied data must be deleted. Access to systems used for Council purposes must be terminated permanently.

28.3 You may not make personal use of the Council's property or facilities (stationery, photocopiers, etc.) unless authorised to do so by your manager. ICT Resources may only be used in line with the Council's relevant policies and guidance.

28.4 You may only use the Council telephones to make or receive private calls in line with the Council's Policy on the Private Use of Authority-Owned Telephones.

28.5 As a member of the public, if you wish to access property, facilities, services or equipment, which is normally provided by the Council on a commercial basis, you must not gain advantage due to your employment with the Council. Where there may be a perception of potential conflict, you must advise your manager you propose to use Council property, facilities, equipment or services - your manager will guide you and take appropriate action.

29. INTELLECTUAL PROPERTY

29.1 'Intellectual Property' is a generic legal term, which refers to the rights and obligations in relation to: inventions, patents, creative writings and drawings (including policy, training and technical documents and materials). If you create these or similar during the course of your employment, the copyright belongs to the Council and, if appropriate, you would be required to cooperate in the registration formalities.

29.2 If you want to publish any material which you have written in connection with your duties or in which you describe yourself as holding a position within the Council you must first gain the consent of your Chief Officer.

30. USE OF COUNCIL COMMUNICATION SYSTEMS

30.1 The Council has the right to access and monitor communication systems provided to you, and will monitor usage of its communication systems e.g. telephone, email and Internet access, to ensure their proper use and will run reports detailing usage levels of staff.

30.2 Communication systems may be accessed when the Council suspects an employee has been misusing Council facilities, or, for the investigation of suspected fraud or other irregularity. Very exceptionally and where service delivery reasons exist, employees' senior officer, in conjunction with OD and IT may approve access to emails when an employee is absent. Access to facilities may be temporarily suspended whilst an investigation is on-going and may be permanently withdrawn where misuse is detected. Cases of misuse may result in disciplinary action being taken - this may include dismissal.

31. EMAIL AND THE INTERNET

31.1 The primary use of The Council's Email and the Internet systems is for the business purposes of The Council. However, reasonable personal use will be permitted when clocked out/outside of working time, although the policies relating to acceptable use will still apply. All Email and Internet access may be recorded and monitored.

31.2 The use of Email and the Internet must not interfere or conflict in any way with the performance of your duties as an employee of The Council.

31.3 The following is a summary of some of the key points of the Council's Email and Internet Acceptable Use Policies.

31.4 However, it is your responsibility to ensure you are fully aware and compliant with all the relevant policies and guidance, as available on the Information Security page on the Intranet.

31.5 You must inform your manager immediately if you receive inappropriate communication or material.

31.6 General Computer Usage

You are only permitted access to parts of the computer system necessary for you to perform your duties or for authorised personal use.

31.7 The following examples constitute computer misuse and are liable to disciplinary action, up to and including dismissal:

- Fraud and theft
- Introduction of viruses
- Obtaining unauthorised access
- Using the system for non-work related activities during work time

31.8 Email

No employee shall send or forward emails that in any way may be interpreted as inappropriate, insulting, disruptive or offensive by any other person, company, or which may be harmful to the morale of employees or the reputation of The Council.

- Political beliefs or commentary.
- Any message that could be construed as harassment or disparagement of others based on their sex, race, sexual orientation, age, national origin, disability, or religious or political beliefs.
- Circulating chain mails on the Council's email system.

31.10 Contracts formed by email might be legally binding. Any contractual agreement, offer or acceptance must only be made electronically if you have authority to do this or where specific management authorisation has been given.

31.11 Internet

- Transmitting unencrypted information protectively marked OFFICIAL-SENSITIVE or above over the Internet.

31.13 Social networking

You must be aware that when using the Internet, including social media/networking for personal use, at any time, you could still be identified as a Council employee. As such your activity on the Internet and social networking websites may affect the Council.

31.14 Remember to keep your work and social life separate. Further guidance and helpful tips are contained in The Council's Social Media Guidance document on the Information Security page on the Intranet.

31.15 Users logged in at a computer shall be considered to be the person browsing the Internet. Under no circumstances shall Internet users browse the Internet or use email from an account belonging to someone else.

31.16 The Council shall report any illegal activity to the Police. Employees shall also be liable to The Council's own disciplinary process.

31.17 Employees shall notify their Line Manager and the SRS Information Security Team (Security@srswales.com) immediately should accidental access to such material occur. Normally, no disciplinary action shall be taken against employees who accidentally access sites containing dubious or unethical material providing they raise the issue in a timely manner. However, in order to avoid disciplinary action, it is the user's responsibility to ensure that such unauthorised access does not happen on a frequent basis.

31.18 As stated previously, full details of the relevant policies and guidelines for the use of email and the Internet are available on the Information Security page on the Intranet. It is your responsibility to ensure you are aware of and abide by these requirements.

31.19 Disciplinary Action

You must remember you are a representative of The Council and using email, internet and/or social media accounts to make libellous, slanderous or defamatory comments regarding The Council, its employees or Members, or otherwise bringing the Council's reputation into disrepute, or exposing the Council to potential liabilities, will not be tolerated and may lead to disciplinary action up to and including dismissal.

32. TRADE UNION REPRESENTATIVES

32.1 Accredited trade union representatives can use Council systems for the purposes of undertaking trade union duties and these will be treated as confidential.

33. CONFIDENTIALITY AND INFORMATION SECURITY

33.1 The Council supports and promotes the principles of open government and welcomes opportunities to share information with the community. However, there is some information that is too sensitive or confidential to release.

33.2 You should be aware of the type of information which must be made available, and to whom; and the type of information which must not be

disclosed at all or without specific permission. “Information” can be stored, or communicated in many ways:

- Image (e.g. photos, CCTV, microfiche).
- Verbal conversation (e.g. face to face or by telephone, Skype, etc.).
- Paper documents and manual filing systems (including personal work-related notes).
- Computerised and other electronic systems (e.g. email, voicemail, instant messaging, computer disk, USB, social media, case management systems or other departmental computer systems, etc.).

33.3 You must take all reasonable steps to ensure that the loss, destruction, inaccuracy or improper disclosure of information does not occur as a result of your actions.

33.4 You must not disclose personal or financial information about any other member of staff or service user without the express consent of that individual or authorisation from your Chief Officer.

33.5 You must not use any information obtained in the course of your employment to cause damage to or bring disrepute to the Council, or for personal gain or benefit. Nor should you pass information on to others who may use it in such a way. Also, you must not access information that is not specifically required to enable you to undertake your role with the Council.

33.6 If you have any doubt whether information should be disclosed it is your responsibility to consult your manager before its release.

34. DATA PROTECTION

34.1 The Data Protection Act 2018, which covers and supplements the General Data Protection Regulation 2016, deals with appropriate protection of any information in which any living person can be identified. This is personal information and it may not necessarily include a person’s name. Both the Council and all staff are under an obligation to comply with the Data Protection Act 2018.

34.2 Information about your obligations can be found in the Council's Data Protection Policy. These obligations include how personal information should be obtained, stored, accessed and used.

34.3 The Council must ensure that:

- The information will be protected against unauthorised access.
- The confidentiality of information will be assured.
- The integrity of information will be maintained.
- Regulatory and legislative requirements will be met.

34.4 A breach of the Data Protection Act 2018 may result in criminal proceedings and may result in disciplinary action which could include dismissal.

34.5 Adherence to The Council's policies is mandatory. Any breach may result in disciplinary and/or criminal proceedings. Disciplinary action may include dismissal.

35. PHOTOGRAPHY

35.1 It is important to be aware that permission may be required when using photographs, videos and recordings that identify people. If you have any queries about rights you should contact the Corporate Communications Team for advice.

37.1 The Council's Audio/Video Recording Guidance document covers all recordings, including covert recording of staff meetings and covert recording in Council establishments, by employees and/or associated third parties.

37.2 In certain circumstances employees or clients of the Authority may endeavour to make a covert audio/video recording, for example of a work meeting or of care provided in a residential care home, for a number of reasons. For example, an individual may think that a recording will provide evidence of unfair treatment or malpractice. However, no-one has the right to record an employment meeting without express permission and there are a number of legal factors to consider if a client of the Authority intends to make a covert recording.

37.3 Any covert recording to be carried out on behalf of the Authority must have prior approval in accordance with the Council's RIPA Policy. Any other covert recording may be deemed as gross misconduct and will be considered in line with the Council's Disciplinary Code.

38. CONTRACT OF EMPLOYMENT

38.1 This Code is part of your contract of employment. An extract of the Code is issued to every employee as part of their terms and conditions of employment, together with advice on how to access the full document.

39. FAILURE TO COMPLY

39.1 Failure to comply with any of the provisions included in this Code and/or its associated policies may result in disciplinary action being taken under the Disciplinary Code, or legal action if necessary.

**ALL OFFICERS TO NOTE THE PROVISIONS OF THE LOCAL
GOVERNMENT ACT 1972, Section 117**

1. If it comes to the knowledge of an Officer employed, whether under this Act or any other enactment, by a local authority that a contract in which he has a pecuniary interest, whether direct or indirect (not being a contract to which he is himself a party), has been, or is proposed to be, entered into by the authority or any committee thereof, he shall as soon as practicable give notice in writing to the authority of the fact that he is interested therein. For the purposes of this Section, an Officer shall be treated as having indirectly a pecuniary interest in a contract or proposed contract if he would have been so treated by virtue of Section [95] above had he been a Member of the authority.
2. An Officer of a local authority shall not, under colour of his office or employment, accept any fee or reward whatsoever other than his proper remuneration.
3. Any person who contravenes the provisions of paragraphs 1 or 2 above shall be liable on summary conviction to a fine not exceeding level 4 on the standard scale.
4. References in this Section to a local authority shall include references to a joint committee appointed under Part VI of this Act or any other enactment.

SECTION 21

21. Protocol on Member / Officer Relations

21.1 Introduction

The purpose of this Protocol is to guide Members and Employees of the Council in their relations with one another.

21.1.1 Mutual respect between Members and Employees is essential to good local government. However, close personal familiarity between individual Members and Employees can damage this relationship and prove embarrassing to other Members and Employees.

21.1.2 The relationship has to function without compromising the ultimate responsibilities of Employees to the Council as a whole, and with due regard to such technical, financial, professional and legal advice that Employees can legitimately provide to Members. The Protocol seeks to set a framework that assists the working relationships between Members and Employees.

21.2 Roles of Members

Members undertake many different roles. Broadly these are:

21.2.1 Members express political values and support the policies of the party or group to which they belong (if any).

21.2.2 Members represent their electoral division and are advocates for the citizens who live in the area.

21.2.3 Members are involved in active partnerships with other organisations as community leaders.

21.2.4 Members contribute to the decisions taken in Full Council and in its various bodies on which they serve, as well as joint committees, outside bodies and partnership organisations.

21.2.5 Members help develop and review policy and strategy.

21.2.6 Members monitor and review policy implementation and service quality.

21.2.7 Members are involved in quasi-judicial work through their Membership of regulatory committees.

21.3 Roles of Employees

Briefly, Employees have the following main roles:

21.3.1 Managing and providing the services for which the Council has given them responsibility and being accountable for the efficiency and effectiveness of those services.

21.3.2 Providing advice to the Council and its various bodies and to individual Members in respect of the services provided.

21.3.3 Initiating policy proposals.

21.3.4 Implementing agreed policy.

21.3.5 Ensuring that the Council always acts in a lawful manner.

21.4 Respect and Courtesy

21.4.1 For the effective conduct of Council business there must be mutual respect, trust and courtesy in all meetings and contacts, both formal and informal, between Members and Employees. This plays a very important part in the Council's reputation and how it is seen in public. It is very important that both Members and Employees remember their respective obligations to enhance the Council's reputation and to do what they can to avoid criticism of other Members, or other Employees, in public places.

21.4.2 Undue Pressure

It is important in any dealings between Members and Employees that neither should seek to take unfair advantage of their position.

In their dealings with Employees (especially junior Employees) Members need to be aware that it is easy for them to be overawed and feel at a disadvantage. Such feelings can be intensified where Members hold senior official and/or political office.

A Member should not apply undue pressure on an Employee either to do anything that he is not empowered to do or to undertake work outside normal duties or outside normal hours. Particular care needs to be taken in connection with the use of Council property and services.

Similarly, an Employee must neither seek to use undue influence on an individual Member to make a decision in his favour, nor raise personal matters to do with their job, nor make claims or allegations about other Employees. *(The Council has formal procedures for consultation, grievance and discipline, and Employees have the right to report possible wrongdoing under the Council's Confidential Reporting Code.)*

21.4.3 Familiarity

Close personal familiarity between individual Members and Employees can damage the principle of mutual respect. It could also, intentionally or accidentally, lead to the passing of confidential information or information which should not properly be passed between them, such as personal details.

Such familiarity could also cause embarrassment to other Members and/or other Employees and even give rise to suspicions of favouritism.

For these reasons close personal familiarity must be avoided.

21.4.4 Breach of Protocol

If a Member considers that he has not been treated with proper respect or courtesy he may raise the issue with the Employee's line manager. If direct discussion with the manager does not resolve the complaint it should be referred to the Head of Service or Director responsible for the employee concerned. Breach of the Protocol may give rise to disciplinary proceedings against an Employee if the circumstances warrant it.

If an employee of the Council considers that a Member has contravened the protocol, then the procedure outlined in Appendix 3 to Section 18 may be followed i.e. "Local Procedure for dealing with allegations that a Member has breached the Code of Conduct or the Protocol on Member/Officer relations". If the complaint may constitute a breach of the Members' Code of Conduct, the employee has the right to refer the complaint directly to the Ombudsman. Many complaints will be capable of informal resolution without requiring a referral to the Ombudsman. The Monitoring Officer or the Managing Director, may assist in this process if necessary.

21.5 Provision of Advice and Information to Members

21.5.1 Members are free to approach Employees of the Council to provide them with such information and advice as they may reasonably need in order to assist them in discharging their role as a Member of the Council. This can range from a request for general information about some aspect of the Council's activities to a request for specific information on behalf of a constituent.

21.5.2 Employees should always endeavour to respond to requests for information promptly and should in any event inform the Member if there is likely to be any appreciable

delay in dealing with an enquiry. As a minimum the timescale for responding to correspondence should be observed ie either a full response or, if this is not possible, an acknowledgement that fully explains what is happening within five working days of the receipt of the enquiry.

- 21.5.3 The legal rights of Members to inspect Council documents are covered partly by statute and partly by common law.
- 21.5.4 The Access to Information Procedure Rules of this Constitution explain the position with regard to access to papers relating to the business of a Council body.
- 21.5.5 The exercise of the common law right depends upon a Member's ability to demonstrate a "need to know". In this respect a Member has no right to "a roving commission" to examine any documents of the Council. Mere curiosity is not sufficient.
- 21.5.6 The information sought by a Member should only be provided by the respective Service as long as it is within the limits of the Service's resources. For their part, Members should seek to act reasonably in the number and content of the requests they make.
- 21.5.7 It is important for Services and their staff to keep Members informed both about the major issues concerning the Council and, more specifically, about issues and events affecting the area that he represents. Local Members should be informed about proposals that affect their electoral division and should also be invited to attend Council initiated events within their electoral division. (Further details are contained in the Local Member Consultative Charter, which is annexed to this Protocol).
- 21.5.8 If a Member asks for specific information relating to the work of a particular Service, and it appears possible or likely that at a subsequent meeting an issue could be raised or question asked on the basis of the information provided, then the appropriate Executive Member or Committee Chair concerned should be advised about the information provided.
- 21.5.9 Officers have to advise Members from time to time that a certain course of action cannot be carried out. Members sometimes assume that this is a case of Officers deliberately obstructing the wishes of politicians. In fact this is hardly ever the case. Officers are employed to give

unbiased professional advice even if it is not what Members want to hear. They do this as much for the protection of Members as for any other reason. However, the mark of an effective Officer is that if they do have to give negative advice, this will be accompanied by suggestions as to how Members might achieve some or all of their objectives in other ways. Such Officers are invaluable to any Council.

21.5.10 Members may be entitled under the Freedom of Information Act 2000 to receive information which falls outside their common law rights based on the “need to know”. Employees are encouraged to supply documents to Members without the need for a formal FOI request if it is apparent from the Member’s enquiry that any individual would be entitled to receive such documentation. The Council’s Information and Governance Officer will be able to advise in consultation if necessary with the Monitoring Officer on whether any request would fall within the Freedom of Information Act.

21.6 Confidentiality

21.6.1 In accordance with the Code of Conduct for Members, a Member must not disclose information given to him/her in confidence by anyone, or information acquired which he/she believes, or ought reasonably to be aware, is of a confidential nature, except where:

he/she has the consent of a person authorised to give it;

he/she is required by law to do so;

the disclosure is made to a third party for the purpose of obtaining professional advice provided that the third party agrees not to disclose the information to any other person; or

the disclosure is:

- a) reasonable and in the public interest; and
- b) made in good faith and in compliance with the reasonable requirements of the authority.

21.6.2 Confidential Committee papers are to be treated as confidential information unless the relevant Committee resolves not to exclude press and public. Members are

reminded that the author of the report makes the initial decision as to whether or not the papers are to be treated as confidential. The decision as to whether they remain confidential is for the Committee. Other information may be confidential because to disclose it would be against the Council's or the public interest. Information may also be confidential because of the circumstances in which it was obtained.

- 21.6.3 Information and correspondence about an individual's private or business affairs will normally be confidential.
- 21.6.4 Officers should make it clear to Members if they are giving them confidential information. If a Member is not sure whether information is confidential, he or she should ask the relevant Officer, but treat the information as confidential in the meantime.
- 21.6.5 Any Council information provided to a Member must only be used by the Member in connection with the proper performance of the Member's duties as a Member of the Council.
- 21.6.6 If a Member receives confidential information and considers it should be disclosed to another person because it is reasonable and in the public interest to do so then he or she must first consult with the Monitoring Officer and shall not disclose the information without having regard to any advice given by that Officer.

21.7 Provision of Support Services to Members

- 21.7.1 The only basis on which the Council can lawfully provide support services (eg stationery, word processing, printing, photocopying, transport, etc) to Members is to assist them in discharging their role as Members of the Council. Such support services must therefore only be used on Council business. They should never be used in connection with party political or campaigning activity or for private purposes.

21.7.2 Correspondence

Official letters on behalf of the Council should be sent in the name of the appropriate Employee, rather than over the name of a Member. There are circumstances where a letter sent in the name of a Member is perfectly appropriate, for example, in response to a letter of enquiry or complaint sent direct to that Member. Letters which, for example, create obligations or give

instructions on behalf of the Council should never be sent out in the name of a Member.

21.7.3 Media

Communication with the media can be an important part of a Member's workload. In general, Members provide comment and views while Employees provide factual information. If a Member is unsure about the circumstances of a particular issue he should contact the appropriate Director or Head of Service concerned or ask the Press Office to do so.

21.8 The Council's Role as Employer

In their dealings with Officers, Members should recognise and have regard to the Council's role as employer. Members should be aware that Officers could rely on inappropriate behaviour of a Member in an employment case against the Council.

21.9 Political Activity

21.9.1 There are a number of constraints that apply to an employee who occupies a post that is designated as "politically restricted" under the terms of the Local Government and Housing Act 1989.

21.9.2 In summary, such employees are prevented from:

being a Member of Parliament, European Parliament or local authority;

acting as an election agent or sub-agent for a candidate for election as a Member of any the bodies referred to above;

being an Officer of a political party or any branch of a political party or a Member of any committee or sub-committee of such a party or branch, if his duties would be likely to require him to:

- a) participate in the general management of the party or branch; or
- b) act on behalf of the party or branch in dealings with persons other than Members of the party;

canvassing on behalf of a political party or a candidate for election to any the bodies referred to above;

speaking to the public with the apparent intent of affecting public support for a political party; and

publishing any written or artistic work of which he is the author (or one of the authors) or acting in an editorial capacity in relation to such works, or to cause, authorise or permit any other person to publish such work or collection - if the work appears to be intended to affect public support for a political party.

- 21.9.3 It is common for party groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant decision making body. Employees may properly be called upon to support and contribute to such deliberations by party groups provided they maintain a stance which is politically impartial. Support may include a range of activities including briefings for Members relating to their roles, eg chairperson or spokesperson. Employees should be required to give information and advice to political groups on Council business only and not on matters which are purely of a party political nature. Such advice should be available to all party groups and not solely to the majority group. It is important that the political neutrality of Employees is preserved and that group confidentiality is maintained by Employees.
- 21.9.4 Usually the only Employees involved in attending group meetings will be the Managing Director / Head of Paid Service, Directors and Heads of Service and they will generally leave the meeting after making their presentation and answering questions.
- 21.9.5 Employees are employed by the Council as a whole. They serve the Council and are responsible to the Managing Director / Head of Paid Service and their respective Directors/Heads of Service, and not to individual Members of the Council whatever office they might hold.
- 21.9.6 Both Members and Employees are subject to their own Codes of Conduct which can be found in the Constitution. This Protocol provides guidance on working relationships between Members and Employees. It is essential that both are familiar with the detailed obligations in their respective Codes of Conduct which will prevail in the event of any conflict between the Codes and this Protocol.

21.10 Sanctions

- 21.10.1 Complaints about any breach of this Protocol by a Member may be referred to the Monitoring Officer. It should be

noted that certain breaches may also amount to breaches of the Code of Conduct for Members.

21.10.2 Complaints about any breach of this protocol by an Officer may be referred to the Managing Director.

21.11 Conclusion

It is hoped that, by following good practice and securing sensible and practical working relationships between Members and Employees, we can provide one of the cornerstones of a successful local authority and thereby enhance the delivery of high value quality services to the people of the area. Mutual understanding, openness and respect are the greatest safeguard of the integrity of the Council, its Members and Employees.

APPENDIX TO SECTION 21
Local Member Consultative Charter

1. The Council is committed to providing its Elected Members with accurate, helpful and timely consultation, advice and information in relation to any matters of any significance or sensitivity which relate to their particular Electoral Division and where circumstances render it appropriate to involve a Local Member.
2. Directors and staff will be continually vigilant to identify such matters and ensure that Local Members are informed accordingly. This will also include any matter which could impact upon the neighbouring areas of other Members.
3. Directors will ensure that all correspondence/enquiries from Local Members are dealt with promptly and if necessary Members will be kept advised of progress.
4. Appropriate Directors will ensure that, where the Council's Constitution allows, Local Members will be invited to meetings and receive the necessary documentation.
5. Any matter of significance or sensitivity which relates to a particular Electoral Division or Divisions will be discussed with the Local Member(s) concerned before being submitted for consideration by the Executive or other Council Body. This will provide the opportunity for early awareness and allow a local perspective to be obtained.
6. Directors and staff will regularly brief appropriate Executive Members on service and partnership issues and developments and will use such occasions to help identify any potential local issues.
7. Details of any petitions received which relate to matters in a particular Electoral Division will be sent to the Local Member concerned. In addition, copies will also be provided to the Leader. Local Members will be kept informed on the progress/outcomes of such petitions.
8. Subject to any restrictions caused by commercial, legal or personal confidentiality, copies of all correspondence with Parish/Town Councils and the Local Government Ombudsman which relate to matters of any significance or sensitivity in a particular Electoral Division will be sent to the Local Member concerned.
9. Copies of all correspondence with MPs, AM's and MEPs which relate to matters in a particular Electoral Division will be sent to the Local Member concerned. In addition, copies will also be provided to the Leader. This is subject to the restrictions mentioned in paragraph 8 above.

10. A contact guide for senior Officers and their areas of responsibility will be provided to all Members. Wherever appropriate, Services will make Local Members aware of and invite them to service events and activities in their area. This will include strict adherence to the arrangements that have been agreed for the official opening/launch of Council projects, schemes, exhibitions etc.
11. In certain instances, both Members and Officers will receive an enquiry which relates to a matter in a particular area. In order to ensure consistency of approach in these circumstances, Officers will ensure a single response is provided to such enquiries.
12. As part of a continual review of the Charter's effectiveness, the co-operation of Members is sought in the responsible use at all times of advice and information that is provided to them, and Members are encouraged to advise Officers of the information requirements and of any local circumstances or sensitivities which might have a bearing on the Council's work.

1. INTRODUCTION

1.1 Employees are often the first to realise that there may be something seriously wrong within the Council. However, they may not express their concerns because they feel that speaking up would be disloyal to their colleagues or to the Council. They may also fear harassment or victimisation. In these circumstances it may be easier to ignore the concern rather than report what may just be a suspicion of malpractice.

1.2 The Council is committed to the highest possible standards of openness, probity and accountability. In line with that commitment we expect employees, and others that we deal with, who have serious concerns about any aspect of

the Council's work to come forward and voice those concerns. It is recognised that most cases will have to proceed on a confidential basis.

1.3 This policy makes it clear that you can do so without fear of victimisation, subsequent discrimination or disadvantage. This whistleblowing policy is intended to encourage and enable employees to raise serious concerns within the Council rather than overlooking a problem or 'blowing the whistle' outside.

1.4 The policy applies to all employees and all persons who could be in a position to identify serious concerns within the Council, for example, contractors, Councillors, members of the public and close partner agencies.

1.5 This policy is in addition to the Council's complaints procedures and other statutory reporting procedures applying to directorates. You are responsible for making service users aware of the existence of these procedures.

1.6 The Council has a range of policies and procedures, which deal with standards of behaviour at work; they cover such matters as discipline, grievance, harassment and recruitment/selection. Employees are encouraged to use the provisions of those procedures when appropriate. There may be times, however, when the matter may not be about your personal employment position in isolation and needs to be handled in a different way, for example, where there is persistent disregard for legislation, particularly in relation to health and safety at work.

1.7 This policy has been discussed with the relevant trade unions and professional organisations and has their support.

2. AIMS AND SCOPE OF THIS POLICY

2.1 This policy aims to:

- encourage you to feel confident in raising serious concerns and to question and act upon concerns about practice
- provide avenues for you to raise those concerns and receive feedback on any action taken
- ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied

- reassure you that you will be protected from possible reprisals or victimisation if you have a reasonable belief that you have made any disclosure in the public interest

2.2 There are existing procedures in place to enable you to lodge a grievance relating to your own employment. The whistleblowing policy is intended to cover major concerns that fall outside the scope of other procedures. These include:

- conduct which is an offence or a breach of law
- disclosures related to miscarriages of justice
- health and safety risks, including risks to the public as well as other employees (e.g. excessive case/workloads)
- damage to the environment
- the unauthorised use of public funds
- possible fraud and corruption
- sexual or physical abuse of clients or vulnerable people
- other unethical conduct

2.3 Thus, any serious concerns that you have about any aspect of service provision or the conduct of officers or members of the Council or others acting on behalf of the Council can be reported under the whistleblowing policy. This may be about something that:

- makes you feel uncomfortable in terms of known standards, your experience or the standards you believe the Council subscribes to; or
- is against the Council's own Constitution and policies; or
- falls below established standards of practice; or
- amounts to improper conduct.

2.4 Concerns raised under the Whistleblowing Policy may result in the application of other policies e.g. Disciplinary Code or Grievance Procedure.

3. SAFEGUARDS

3.1 The Council is committed to good practice and high standards and wants to be supportive of employees.

3.2 The Council recognises that the decision to report a concern can be a difficult one to make. If what you are saying is true, you should have nothing to fear because you will be doing your duty to your employer/the Council and those for whom you are providing a service.

3.3 The Council will not tolerate any harassment or victimisation (including informal pressures) and will take appropriate action to protect you when you raise a concern in the public interest.

3.4 Any investigation into allegations of potential malpractice will not influence or be influenced by any disciplinary or redundancy procedures that already affect you.

3.5 The Public Interest Disclosure Act 1998 (PIDA) provides legal protection against dismissal and other detriments when disclosing certain types of information in the public interest to a prescribed body.

4. CONFIDENTIALITY

4.1 All concerns will be treated in confidence and every effort will be made not to reveal your identity if you so wish. At the appropriate time, however, you may need to come forward as a witness.

5. ANONYMOUS ALLEGATIONS

5.1 This policy encourages you to put your name to your allegation whenever possible.

5.2 Concerns expressed anonymously are much less powerful but will be considered at the discretion of the Council, although, receipt of an anonymous allegation is preferable to not receiving an allegation at all.

5.3 In exercising this discretion the factors to be taken into account would include:

- the seriousness of the issues raised
- the credibility of the concern; and
- the likelihood of confirming the allegation from attributable sources.

6. UNTRUE ALLEGATIONS

6.1 If you make an allegation in the public interest, but it is not confirmed by the investigation, no action will be taken against you. If, however, you make an allegation frivolously, maliciously or for personal gain, disciplinary action may be taken against you.

7. PERFORMANCE MANAGEMENT

7.1 Issues addressed via the Whistleblowing Policy will be reported to Corporate Leadership Team (CLT) on a timely basis, whenever possible at the next weekly CLT meeting following the decision that the information meets, or may meet, the definition of a Whistleblowing concern.

7.2 The information will be presented by the Head of Legal and Corporate Compliance to CLT, who will maintain the strict standards of confidentiality required by the policy. Details of the allegation will not be disclosed at this stage, pending an investigation.

7.3 An annual update, consisting of the number of cases and any actions resulting, will be presented to CLT and then the Council's Governance and Audit Committee. This update will not contain details of specific cases as it will be an overview of the amount of Whistleblowing cases the Council has dealt with in the previous 12 months and what actions, if any, have been taken to address relevant issues and prevent recurrence.

8. HOW TO RAISE A CONCERN

8.1 As a first step, you should normally raise concerns with your immediate manager or their superior. This depends, however, on the seriousness and sensitivity of the issues involved and who is suspected of the malpractice. For example, if you believe that line management is involved you should approach:

Name/Position	Telephone	Email
Michelle Morris		

Managing Director/Head of Paid Service (01495) 355001
michelle.morris@blaenau-gwent.gov.uk

Andrea Jones

Head of Legal & Corporate Compliance (01495) 355024
andrea.jones@blaenau-gwent.gov.uk

Louise Rosser

Head of Internal Audit (01495) 355142 louise.rosser@blaenau-gwent.gov.uk

8.2 Concerns may be raised verbally or in writing (including email). Those who wish to make a written report are invited to use the following format:

- The background and history of the concern (giving relevant dates).
- The reason why you are particularly concerned about the situation.

8.3 The earlier you express the concern the easier it is to take action.

8.4 Although you are not expected to prove beyond doubt the truth of an allegation, you will need to demonstrate to the person contacted that there are reasonable grounds for your concern. You may wish to consider discussing your concern with a colleague first and you may find it easier to raise the matter if there are two (or more) of you who have had the same experience or concerns.

8.5 You may invite your trade union, professional association representative or a friend to be present during any meetings or interviews in connection with the concerns you have raised.

9. HOW THE COUNCIL WILL RESPOND

9.1 The Council will respond to your concerns. Do not forget that testing out your concerns is not the same as either accepting or rejecting them.

9.2 Where appropriate, the matters raised may:

- be investigated by management, internal audit, or through the disciplinary process
- be referred to the police
- be referred to the external auditor
- form the subject of an independent inquiry

- involve other internal/other department or independent persons carrying out the investigation, depending on the circumstances

9.3 In order to protect individuals and those accused of misdeeds or possible malpractice, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take. The overriding principle which the Council will have in mind is the public interest. Concerns or allegations which fall within the scope of specific procedures (for example, child protection or discrimination issues) will normally be referred for consideration under those procedures.

9.4 Some concerns may be resolved by agreed action without the need for investigation. If urgent action is required this may be taken before any investigation is conducted.

9.5 Within ten working days of a concern being raised, the responsible person will write to you:

- acknowledging that the concern has been received
- indicating how we propose to deal with the matter
- giving an estimate of how long it will take to provide a final response
- telling you whether any initial enquiries have been made
- supplying you with information on employee support mechanisms, and
- telling you whether further investigations will take place and if not, why not

9.6 The amount of contact between the officers considering the issues and you will depend on the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. If necessary, the Council will seek further information from you.

9.7 Where any meeting is arranged, off-site if you so wish, you can be accompanied by a union or professional association representative or a friend.

9.8 The Council will take steps to minimise any difficulties which you may experience as a result of raising a concern. For instance, if you are required to give evidence in criminal or disciplinary proceedings the Council will arrange for you to receive advice about the procedure.

9.9 The Council accepts that you need to be assured that the matter has been properly addressed. Thus, subject to legal constraints, we will inform you of the outcome of any investigation.

10. THE RESPONSIBLE OFFICER

10.1 The Head of Organisational Development, in consultation with the Head of Legal and Corporate Compliance has overall responsibility for the maintenance and operation of this policy. The policy is monitored, themes are identified and a record kept of concerns raised and the outcome (but in a form which does not endanger confidentiality) and will report as necessary to the Council.

11. HOW THE MATTER CAN BE TAKEN FURTHER

11.1 This policy is intended to provide you with an avenue within the Council to raise concerns. The Council hopes you will be satisfied with any action taken. If you are not and feel it is right to take the matter outside the Council, the following are possible contact points:
