## 1. Purpose of the Report

- 1.1 The report is to inform Members and Officers of the Council's performance with regards to investigations into Stage 1 and Stage 2 Corporate Complaints received for the period 1 April 2021 – 30 September 2021.

## 2. Scope and Background

- 2.1 The Public Services Ombudsman (Wales) Act 2019 created the Complaints Standards Authority (CSA). Policy and Guidance were issued under the powers contained within Section 36 of the Act and they apply to public service providers in Wales.
- 2.2 The CSA produced a model Concerns and Complaints Policy to ensure consistency of complaints handling throughout Wales. The updated Concerns and Complaints Policy was adopted by the Council in July 2021.
- 2.3 It has been reported previously that by virtue of section 115 of the Local Government and Elections (Wales) Act 2021, the Governance and Audit Committee now has additional functions to include a role in oversight for complaints.

The Committee now has new statutory powers to:

- Review and assess the authority's ability to handle complaints effectively
  - Make reports and recommendations in relation to the authority's ability to handle complaints effectively.
- 2.4 The Council is required to provide the CSA with complaints data on a quarterly basis and report to the Governance and Audit Committee the number and types of complaints received and their outcomes. Governance and Audit Committee agreed in June 2021 that this report is presented to Committee twice a year.

### 3. **Options for Recommendation**

#### 3.1 **Option 1**

To provide the Governance and Audit Committee with assurance that the process for the monitoring of complaints is robust and the performance information provided reflects these practices.

#### 3.2 **Option 2**

To seek further clarification on any areas within the report and/or to highlight any areas of interest or concern that need to be considered in future monitoring and reporting of complaints.

### 4. **Evidence of how does this topic supports the achievement of the Corporate Plan / Statutory Responsibilities / Blaenau Gwent Well-being Plan**

4.1 There is a legislative requirement to provide information on the number of complaints the Council received to the Complaints Standard Authority.

4.2 The monitoring of complaints and compliments is a key performance indicator within the Council's Corporate Plan, under the Well-being Theme, 'Efficient Council'.

4.3 From the Well-being Plan the monitoring of complaints links into 'A resilient Wales' as it provides an opportunity for citizens to take an active and empowered role. The Council is required to present the complaints information to members of the Governance and Audit Committee twice a year.

### 5. **Implications Against Each Option**
