ITEM	SUBJECT	ACTION
No. 1	<p><u>SIMULTANEOUS TRANSLATION</u></p> <p>It was noted that no requests had been received for the simultaneous translation service.</p>	
No. 2	<p><u>APOLOGIES</u></p> <p>An apology for absence was reported for Councillor P. Baldwin.</p>	
No. 3	<p><u>DECLARATIONS OF INTERESTS AND DISPENSATIONS</u></p> <p>No declarations of interest or dispensations were reported.</p>	
No. 4	<p><u>REVENUE BUDGET 2022/2023</u></p> <p>Consideration was given to report of the Chief Officer Resources.</p> <p>The Chief Officer Resources presented the report which provided an update on the positive provisional local government settlement for 2022/23 and its impact upon the Council's budget; and sought agreement of the detailed revenue budget for 2022/23, and the level of Council Tax increase for the 2022/2023 financial year.</p> <p>The Officer spoke to the report and highlighted the main points contained therein. The headline increase for BGCBC after allowing for transfers was 8.4% (£10.4m), compared to the all Wales increase of 9.4%. This was a positive settlement and combined with the opportunities identified in the Bridging the Gap programme meant that subject to the recommendations in the report being</p>	

agreed, the Council was able to agree a budget for 2022/23.

A Member referred to the blended learning approach introduced in schools in response to the Covid pandemic, and asked whether the Council intended to continue self-supporting the licence and ICT equipment for those families in need of support.

In response the Corporate Director of Education confirmed that a budget pressure had been identified for the 2022/23 financial year related to ICT developments within schools, and this would be an element for consideration by Members at the full meeting of the Council on the 17th February, 2022.

A Member referred to Appendix 2, particularly the cost pressure within the Environment Portfolio and asked whether this would reduce if the passporting of waste gate fees was agreed.

The Chief Officer Resources explained that the cost pressure within the Environment Portfolio excluded any cost pressure in relation to the waste gate fees. If the transfer of the waste gate fees grant was not agreed the cost pressure within the Portfolio would increase.

A Member then proposed the following amendment to Option 1 as follows:

In light of the headline uplift of 8.4%, Members accept Sections 3.1.1 to 3.1.6 of Option 1; and that decision on Sections 3.1.7 and 3.1.8 (transfer of any surplus budget into the Financial Resilience Reserve, and recommendations around the Council Tax increase) be **DEFERRED** pending further consideration at the Special Meeting of the Council on 17th February, 2022.

The proposal was seconded, and following a brief discussion the amendment was carried.

The Committee AGREED, subject to the foregoing, to recommend that the report be accepted and the amended Option 1 be supported as follows:
