Appendix 1 – Business Planning 2022 Onwards

Priority Ref	Priority Title
EDU.1 Tier 2 Improvement and Inclusion Plan and EAS Business Plan	 Improving educational standards and wellbeing for pupils, particularly at KS4. This priority is in conjunction with delivering the BG priorities in the EAS business plan, including; Minimising the impact and recovery from COVID-19 on learner development and progress; Ensuring high quality leadership that secures good progress for all learners; Improve wellbeing for learners at all stages of development, with a focus on attendance, exclusions and equity; Secure strong progress in skills, particularly in English and Mathematics at Key Stages 3 and 4. Reading skills are a focus across the board in 2022-23; and, Support schools who are identified as causing concern through regional and local protocols to secure improvement.
EDU.2 Tier 2 and Tier 1 Improvement and Inclusion Business Plans.	Securing quality Inclusion provision, particularly to support vulnerable groups of learners and those who are eFSM, through; • Reviewing Inclusion strategy/policies and practice; • Delivering ALN Reform; • Improving wellbeing for learners at all stages of development, with a focus on attendance, behaviour support, exclusions and equity; and, • Effective Monitoring, Evaluation and Review (MER) arrangements.
EDU.3	Transforming education in line with responsive school support services and a school estate that is fit for the 21st Century . Priorities include;
Tier 2 Education Transformation and Business Change Business Plan.	 Admissions and managing pupil places; ICT Strategy and digitalisation; Facilities management and the 21st Century Schools agenda; Service Level Agreements (SLAs) for schools; Home to School and Post 16 Transport; and, Emergency planning and recovery etc.

EDU.4	
Tier 2 Young People and Partnership Plan and Aneurin Leisure Trust Business Plans.	Delivering effective young people and partnership provision, with a focus on lifelong learning and leisure/recreation provision to meet community need, through; • Quality Youth Support Services; • Support for schools e.g. Inspire; • Effective Post 16 partnership arrangements; and, • Modernised leisure/recreation partnerships and provision.
EDU.5	Enhancing the performance culture for Education and Leisure that delivers better educational outcomes and improved value for money, through robust;
Crosscutting with EIP, Tier 2 and Tier 1 Business Plans.	 Business Planning; Financial management; Risk management; Workforce planning; Performance management; and, Self-evaluation.
