

Integrated Impact Screening Template

The purpose of undertaking an Integrated Impact Assessment (IIA) is to consider the impact of proposed strategies, policies, or service reviews and developments against the full range of our statutory obligations:

- Equality Act (2010)
- Well-being of Future Generations Act (2015)
- Welsh Language Act

IAs are an important tool that can be used to improve equality and diversity; sustainable development and the use of the Welsh language by ensuring impacts are considered collectively and not in isolation.

IAs need to be completed as early as possible during any policy development or service review process. The IIA screening template has been designed to help you consider whether a policy, for example, has a positive or negative impact on specific groups of people. It also aims to help assess whether there are any negative impacts and whether their significance is low or high. If negative impacts with a high significance are identified, then a full Integrated Impact Assessment is required to identify how these impacts can be minimised by introducing any mitigating measures or options.

The IIA Screening Template consists of 2 parts:

- Part I: Screening exercise to identify positive or negative impacts
- Part II: Integrated Impact Assessment required – Guidance note

Finally, the outcome of your IIA Screening Exercise needs to be briefly noted in Section 6.9b of the Corporate Report template and attached as an appendix to your report. Similarly, if a full IIA is undertaken then the key findings need to be summarised in section 6.9b of the Corporate Report template, along with the outcome of the assessment, and the full IIA needs to be attached as an appendix to your report.

Welsh Language

The Welsh Language Act 1993 places a legal duty on public authorities to promote the use of the Welsh Language and to treat the Welsh and English languages equally. It offers the public the right to choose which language to use in their dealings with the Council. It recognises that Members of the public can express their views and needs better in their preferred language. It recognises that enabling the public to use their preferred language is a matter of good practice, not a concession. It sets out how the Council will implement that principle in the provision of bilingual services to the public in Wales, taking account of the developing linguistic nature of the County Borough.

Socio-economic Duty (Strategic Decisions Only)

The [Socio-economic Duty](#) provides a framework in order to ensure tackling inequality is at the forefront of decision making. The duty requires the Council, when making strategic decisions, to consider how decisions can help reduce inequality of outcomes.

The duty defines **socio-economic disadvantage** as “living in less favourable social and economic circumstances than others living in the same society”.

The duty generally defines **strategic decisions** as “decisions which effect how the Council fulfils its intended statutory purpose over a significant period of time and not routine day-to-day decisions”. Examples of strategic decisions includes those which are statutory; happen over a significant time; not routine; have strategic intent; strategies or the setting of strategic objectives; service delivery and improvement plans;

medium to long-term plans etc. **Please consider these additional vulnerable group and the impact your proposal may or may not have on them:**

PART2: INTEGRATED IMPACT ASSESSMENT REQUIRED – GUIDANCE NOTE

Where any negative impacts of 'high' significance have been identified as part of the screening exercise then an IIA needs to be undertaken. The IIA consists of 7 sections and a series of questions to help further understand the impacts in more depth through a thorough examination of evidence and available research which will help you to identify how any detrimental impacts can be mitigated:

Section 1 – Protected Characteristics

Section 2 – Welsh Language

Section 3 – Socio-economic Duty (Strategic Decisions Only)

Section 4 - Children's Rights Approach – The Right Way

Section 5 – Data

Section 6 – Consultation

Section 7 - Decision

You are only required to complete Section 1, 2, 3 or 4, if relevant, and it is appropriate to do so.

You must complete sections 5,6 & 7 as they are mandatory.
