Consideration was given to the report of the Interim Chief Executive.

Following a discussion, it was:

- Noted that the details of political make-up contained in the document would need to be amended prior to the publication on the Council's website.
- Clarified that the information contained in the document was retrospective and there was no capital funding available to undertake any further highway works at present. However, at the request of Members of the Scrutiny Committee this matter would be further investigated, and further reports would be presented via the democratic process relating to any potential future funding opportunities and options going forward.
