2. Purpose, Authority and Responsibility

2.1. Purpose (Definition of Internal Auditing)

- 2.1.1. The Public Sector Internal Auditing Standards define Internal Audit as:

“An independent, objective assurance and consulting activity designed to add value and improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes”.

2.2. Objectives

- 2.2.1 The objectives of the Internal Audit Service are:

- To assist the Chief Officer Resources in discharging her statutory duties under Section 151 of the Local Government Act 1972 and subsequent legislation.

- To provide the Council and its Departments with an adequate and effective system of Internal Audit of all accounting records and control systems.
- To assist the Council in achieving its aims in relation to Corporate Governance.
- To support the Council in its search for savings and achievement of Value for Money.
- To help the Council to achieve its service goals by minimising the risks of loss from error, fraud, waste or extravagance.
- To support the work of the Governance & Audit Committee.

2.2.2. These objectives will be delivered through maintaining a high-quality Internal Audit function that meets the needs of the Council, supporting the Section 151 Officer and the Governance & Audit Committee in discharging their responsibilities and meeting the requirements of the PSIAS.

2.2.3. Internal Audit is a statutory function in the context of the Accounts and Audit Regulations (Wales) 2014, which states in respect of internal audit:

“A relevant body (i.e., the Council) must maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control.”

2.2.4. Section 151 of the Local Government Finance Act 1972 requires every local authority to designate an officer responsible for the proper administration of its financial affairs. In Blaenau Gwent Council this is the Chief Officer Resources.

2.3. **Scope and Authority**

2.3.1. The scope for Internal Audit is to review, appraise and report on the adequacy of the internal controls across the whole organisation’s control environment as a contribution to the proper, economic, efficient and effective use of resources. This includes delivering the objectives identified in section 2.2 of this charter by providing the Council and its departments with an adequate and effective system of Internal Audit of all accounting records and control systems.

2.3.2. In accordance with the Accounts and Audit Regulations (Wales) 2014, Internal Audit staff will have unrestricted access to all Council activities and records (including manual and computerised systems), personnel, cash, stores, other assets and premises. Internal Audit has the authority to obtain such information and explanations as it considers necessary to fulfil its responsibilities. This is provided for in the Authority’s Financial Procedure Rules.

2.3.3. All Officers within the council are required to give complete co-operation to Internal Audit for the expected fulfilment of the audit process. Internal Audit is located within the Corporate Services Department, reporting to the Chief Officer Resources and where necessary to the Chief Executive. The portfolio holder is the Cabinet Member Corporate Overview and Performance who is also the Leader of the Council.

2.4 Fraud, Corruption and Bribery

- 2.4.1 In line with the Anti-Fraud, Corruption and Bribery Policy, Internal Audit are to be notified of all suspected or detected fraud, bribery or corruption. The Audit and Risk Manager will consider details of any suspected or known frauds and will investigate where appropriate.
- 2.4.2 The risk of loss by fraud, corruption or bribery will be considered when preparing the risk-based Internal Audit Plan.
- 2.4.3 All findings in relation to fraud, corruption and bribery will inform the annual opinion of the Audit and Risk Manager.

3. Independence and Objectivity

- 3.1. To be effective, Internal Audit must be independent and be seen to be independent. To ensure this, Internal Audit will operate within a framework that allows:
- Unrestricted / unfettered access to Senior Management, Head of Paid Service / Chief Executive Officer and the Chair of the Governance & Audit Committee
 - Reporting in its own name
 - Segregation from line operations
- 3.2. Every effort will be made to preserve objectivity by controlling the involvement of audit staff in non-audit duties in order to avoid potential conflicts of interest. Specific exceptions are however acceptable in respect of ad hoc fraud investigations, encouragement and development of improved internal control systems, and participation in service improvement projects. Specifically, appropriate arrangements have been put in place for the line management of the Risk Management and Insurance Service. Audit output relating to this service area will not be directed by the Audit & Risk Manager. Reports will be signed off by the Chief Officer Resources.
- 3.3. Internal Audit will report on a regular and routine basis to the Governance & Audit Committee. Such reports will include both operational and strategic Audit Plans and progress against them, together with the Annual Report of the Audit & Risk Manager and summaries of significant audit findings, audit activity and developing issues during the year.
- 3.4. The ultimate management of Blaenau Gwent County Borough Council rests with the full Council however the Council via its Scheme of Delegation will designate responsibility to other committees and / or individuals. The Governance & Audit Committee has been designated as the body with responsibility 'of those charged with governance' and as such will receive a number of formal reports such as the Annual Statement of Accounts and the Annual Governance Statement. Where necessary, the Audit & Risk Manager may report directly to Council, but reports may be submitted as appropriate to the Cabinet, the Governance & Audit Committee, a Scrutiny Committee, or the Corporate Leadership Team.
