	<p>Solar Car Parking: Members enquired if any research had been undertaken in Blaenau Gwent. Officer to undertake a desk top research and provide information to Members.</p> <p>Micro-Hydro Development: Members to be provided with information in relation to the reason why the micro-hydro development did not progress.</p> <p>Destination Management and Tourism: Railway Extension to Abertillery: Members to be provided with a project timeline.</p>	<p>Amy Taylor</p> <p>Amy Taylor</p> <p>Owen Ashton</p>	<p>development and it also provides a list of FAQ's to help answer common driver questions.</p> <p>Electric Vehicle Charging Blaenau Gwent CBC (blaenau-gwent.gov.uk)</p> <p>The team are going to undertake research and engage with solar car port providers and will feedback to members on their findings.</p> <p>The initial phase of hydro generation assessment carried out in 2021 explored a range of potential opportunities across Cwm and Llanhilleth. This investigation included the River Ebbw and Ebbw Fach. The topography of these sites mean they are categorised as low head sites. None of the weirs are over 1m and therefore none would allow for cost effective installations.</p> <p>Further work was done on potential sites across the rest of Blaenau Gwent, but none were deemed to have the potential to be taken to full feasibility stage. The only site currently being taken forward to a detailed stage is Silent Valley Actions complete: 05.10.23</p> <p>Verbal update to be provided. Action complete: In progress</p>
