	<p>A Member referred to the enforcement of the Public Health (Minimum Price for Alcohol) (Wales) Act which had been delayed until Spring 2020 due to queries raised in another EU Country and asked if this date would change if an agreement was reached for the United Kingdom to come out of the European Union.</p> <p>The Team Manager Licensing was unable to confirm if this would be the case, however assurances were given that the Team would continue with the implementation of the Act until the date to leave the EU was confirmed.</p> <p>Another Member asked if the Authority had the capacity to manage any changes in legislation if the UK left the EU.</p> <p>The Team Manager Licensing advised that in terms of the licensing function there would be very little affect. The majority of changes would be for Public Protection particularly within Environmental Health.</p> <p>RESOLVED that the report be accepted and the information contained therein be noted.</p>
