# 1. Purpose of the Report

1.1 The purpose of the report is for the Cabinet to consider and adopt, on behalf of the Council, the Retail, Leisure and Hospitality Rates Relief – 2024/25 scheme (RLHRR), as a section 47 discretionary rate relief for 2024/25.

# 2. Scope and Background

- 2.1 In recent years, the Welsh Government have provided grant funding to Local Authorities in order for them to consider delivering the Retail Leisure and Hospitality Rate Relief schemes for certain businesses within their area.
- 2.2 Blaenau Gwent Council adopted these discretionary schemes and the Revenues Team have targeted businesses that they believe meet the criteria for relief and have invited them to make an application.
- 2.3 In December 2023, The Minister for Finance and Local Government announced that Welsh Government intended to fund a scheme for 2024-25 but due to budget constraints the amount afford to qualifying ratepayers would reduce to 40% relief against their rate liability.
- 2.4 Therefore, retail, leisure and hospitality ratepayers in Wales can receive 40% non-domestic rates relief for the duration of 2024-25. The scheme

announced by the Welsh Government will still be capped at £110,000 per business across Wales.

- 2.5 The full criteria and guidance for the operation and delivery of the scheme can be accessed by the link detailed in section 9 of this report.
- 2.6 Welsh Government have confirmed the provisional funding allocation for Blaenau Gwent for 2024/25, is £1.28M to allow delivery of the scheme.
- 2.7 In order that assistance may be given to ratepayers, the Council must resolve to adopt the Welsh Government prescribed scheme as a discretionary rate relief scheme in line with s47 of the Local Government Finance Act 1988.

# 3. **Options for Recommendation**

To include Recommendation(s) / Endorsement by other groups, e.g. CLT/Committees/Other groups)

# 3.2 Option 2 (preferred option)

That Cabinet adopts the Retail, Leisure, and Hospitality Rates Relief – 2024/25 scheme on behalf of the Council, to supplement the Council's discretionary rate relief scheme.

- 4. Evidence of how this topic supports the achievement of the Corporate Plan / Statutory Responsibilities / Blaenau Gwent Well-being Plan
- 4.1 The adoption of the Retail, Leisure and Hospitality Rates Relief 2024/25 scheme would support the Council Priority, 'Empowering and supporting communities to be safe, independent and resilient', in offering financial support to businesses in the borough during the cost-of-living crisis.
