Dear Colleagues

Today I am announcing details of the Provisional Local Government Revenue and Capital Settlements for 2020-21 for county and county borough councils in Wales through a Cabinet Written Statement. This is attached for your information.

This announcement outlines my intention to set local government core revenue funding for 2020-21 at £4.474 billion. I am pleased this means, **after adjusting for transfers, overall core funding for local government in 2020-21 will increase by 4.3 per cent on a like-for-like basis compared to the current year.** While this does not mean austerity is over and there are, I know significant pressures, I hope that this significant increase can help you support and continue local critical and valued services.

Funding for schools has been a particular consideration of our budget discussions this year. Within this settlement, **we have provided funding for additional costs arising from the UK Government's announced changes to employer pension contributions. We have also provided funding for additional costs arising from the 2019/20 teachers' pay deal for the remainder of the academic year and have provided funding beyond this to recognise the future impacts of teachers' pay awards which will come into effect from September 2020.** We are also continuing to provide funding for our proposals for new eligibility criteria for free school meals, given the continued rollout of Universal Credit by the UK Government.

I have given careful consideration to the potential of including a funding floor for this settlement. Given that every authority will see an increase of at least 3% over 2019-20 on a like-for-like basis, I have concluded that a funding floor is not necessary in this particular instance. This will also enable us to reset the settlement base and fund authorities according to relative need, and not to make up for the implementation of historic floors.

Rydym yn croesawu derbyn gohebiaeth yn Gymraeg. Byddwn yn ateb gohebiaeth a dderbynnir yn Gymraeg yn Gymraeg ac ni fydd gohebu yn Gymraeg yn arwain at oedi.

We welcome receiving correspondence in Welsh. Any correspondence received in Welsh will be answered in Welsh and corresponding in Welsh will not lead to a delay in responding.

The non-hypothecated general capital funding for 2020-21 will be £198 million (including £20 million for public highways refurbishment grant) - an increase of £15 million over that announced in the Final Budget last year. I hope that this additional funding will enable you to respond to the urgent need to decarbonise, in light of the climate emergency declared by the Welsh Government and many councils over the past year.

We have discussed, before, our shared recognition of the need to invest in the supply of housing. Investing in social housing should minimise the pressures on local authority budgets and on homelessness services. Investment in housing can also support the Welsh economy and local economies. I hope that this settlement, capital and revenue, can support you in increasing the scale and pace of housebuilding across Wales.

The draft *Local Government Finance Report* and additional tables containing details of the provisional settlement by individual authority are also being published on the Welsh Government website. These tables include the individual authority allocations of Aggregate External Finance (AEF), comprising Revenue Support Grant (RSG) and redistributed Non-Domestic Rates (NDR). As we have discussed through FSG, we are also providing information on revenue and capital grants which are planned for 2020-21. This information will be further updated for the final settlement.

The delay in the publication of the provisional settlement has enabled us to draw on the latest tax-base figures for 2020-21, meaning that there should be no change between provisional and final settlements as a result of updates to the tax base.

This settlement provides you with the most stable platform I can offer for planning your budgets for the forthcoming financial year. I fully appreciate the pressures local government is facing and am committed to shielding local government from the worst effects of austerity. This is a good settlement that should alleviate some of the pressures that you had been anticipating and offers an opportunity for local government to plan for the future. While I can't guarantee that there will be no changes between the provisional and final settlements, due to the financial uncertainty that comes with a new UK Government, I can assure you that I do not intend on making any significant changes to the methodology or the data underpinning the distribution of this settlement.

My announcement today launches a 7-week period of formal consultation on the provisional local government settlement for 2020-21. I would be grateful if you could ensure your response arrives no later than **Monday, 3 February 2020**. All responses to this consultation should be sent to:

Simon Edwards
Local Government Finance and Workforce Partnerships Division
Welsh Government, Cathays Park, Cardiff, CF10 3NQ.
Or email: LGFPSettlement@gov.wales.

Comments are invited about the effects (whether positive or adverse) the proposed settlement would have on opportunities for people to use the Welsh language and on treating the Welsh language no less favourably than the English language. In addition, we invite comments on whether the proposed settlement could be formulated or revised to have positive effects, or decreased adverse effects, on opportunities for people to use the Welsh language and on treating the Welsh language no less favourably than the English language.

The Welsh Government intends to publish a summary of the responses. Normally, the name and address (or part of the address) of each respondent are published along with the response. If you do not wish to be identified as the author of your response, please ensure you state this explicitly in your response.

Copies of responses may be placed in the Welsh Government's library. If you wish your comments to remain confidential, please make this clear in your reply. This will be considered in light of our obligations under the Freedom of Information Act. The Welsh Government will consider all responses received by the due date before the final determination is made and published.

Local authorities are reminded of the requirement to comply with the general equality duties set out in the Equality Act 2010, and also the specific equality duties where applicable. The equality impacts of budgetary options should be assessed and inform any final decisions.

Authorities also need to take account of your duties under the Well-being of Future Generations (Wales) Act 2015 and the Welsh language standards in preparing plans for 2020-21.

This provisional settlement provides you with the information you need to plan your budgets for 2020-21 and to consider how best you engage with your local communities in formulating your proposals and making budget decisions.

Yours sincerely

Julie James AC/AM
