No. 8	<u>THE CALCULATION OF THE COUNCIL TAX BASE FOR THE YEAR 2021/22</u>	
-------	--	--

Consideration was given to the report of the Chief Resources Officer.

The Chief Officer Resources advised that the Council had a statutory requirement to calculate the Council Tax Base for each financial year. The Council Tax Base was a measure of the Authority's tax-raising capacity which was expressed in terms of the number of Band D equivalent dwellings taking account of exemptions reductions.

The Chief Officer Resources advised that the Council's Tax Base for the current year, 2020/2021 was set at 20,662.45 and for 2021/22 proposed the Council tax base be 20,794.09 which reflected the increase of 222 domestic properties in the last 12 months.

The Chief Officer further explained that there had been a review of council tax collection during 2019 which resulted in some changes to collection methods. Whilst in 2019/2020 there was an early indication of improved collection rates, the coronavirus pandemic has had a significant effect on current council tax collection rates across Wales and it was anticipated that this would continue into 2021/22. The Chief Officer Resources therefore felt it prudent to estimate the in-year collection for 2021/2022 to remain at 95%.

The report was welcomed by the Executive and the increased housing numbers was pleasing to note. It was advised that despite the pandemic there still remained great interest by developers in Blaenau Gwent.

RESOLVED that the report be accepted and approved the Council Tax base calculation for 2021/22 as detailed in Appendix 1 tables 1 to 6 of the report, and that the council tax base for tax setting purposes be 20,794.09.

	<u>MONITORING ITEMS - CORPORATE SERVICES</u>	
No. 12	<u>REVENUE BUDGET MONITORING – 2020/2021</u> <u>FORECAST OUTTURN TO 31ST MARCH, 2021</u> <u>(AS AT 30TH SEPTEMBER, 2020)</u> Consideration was given to the report of the Chief Officer Resources. The Chief Officer Resources advised that the report provided the forecast financial outturn position across all portfolios for the financial year 2020/2021 as at 30 th September, 2020. There was an adverse variance of £3.402m before the application of Welsh Government Hardship funding which reduced the forecast adverse variance to £0.248m. This was an improved position compared to the forecast at June 2020 which indicated an adverse variance of £1.2m. The Chief Officer further reported the financial position across all portfolios and outlined the key points as detailed in the report. The Chief Officer Resources advised that the appendices contained information on fees and charges as well as progress made against the Bridging the Gap programme. The Appendices also detailed actions which are being taken forward by Budget Holders to mitigate any forecast cost pressures. The Leader was mindful that Executive Members respectively and as a collective monitored budgets on a regular basis and given the current situation felt that budgets had been managed well by Budget Holders. He was of the opinion that the Council was in a reasonable position and had hoped that with the much appreciated assistance from Welsh Government provided to Local Government it would help the Council in balancing the budget. The Leader advised that next year's budget indication was due to be announced on the 22 nd December, 2020 and it was hoped that the Council would continue the excellent work around financial management achieved in previous years. RESOLVED that the report be accepted and the appropriate challenge was provided to the financial outcomes in the report.	

<p>No. 13</p>	<p><u>CAPITAL BUDGET MONITORING, FORECAST FOR 2020/2021 FINANCIAL YEAR (AS AT 30TH SEPTEMBER, 2020)</u></p> <p>Consideration was given to the report of the Chief Officer Resources.</p> <p>The Chief Officer Resources advised that the report provided an overview of each Portfolio's actual and forecast capital expenditure against funding approvals for the 2020/2021 financial year as at 30th September, 2020. The Chief Officer spoke to the report and outlined the key points contained therein.</p> <p>RESOLVED that the report be accepted and the</p> <ul style="list-style-type: none"> • appropriate challenge to the financial outcomes in the report be provided. • Continued to support appropriate financial control procedures agreed by Council. • the budgetary control and monitoring procedures in place within the Capital Team, to safeguard Authority funding be noted. 	
<p>No. 14</p>	<p><u>USE OF GENERAL AND EARMARKED RESERVES 2019/2020</u></p> <p>Consideration was given to the report of the Chief Officer Resources.</p> <p>The Leader advised that the Council had been criticised in previous years for their low levels of reserves, however over the last couple of years we have ensured that positive action had been taken to restore reserves to an acceptable level.</p> <p>At this juncture, the Leader invited the Chief Officer Resources to provide an overview of the report. The Chief Officer Resources noted the key points contained in the report and referred the Executive to the forecast position for the general reserve at year-end 2020/2021 which would be a decrease of £0.048m, to £6.387m. This balance would represent 4.72% of net revenue expenditure, £0.973m above the 4% target level of £5.414m. These figures indicated further progress towards strengthening the financial resilience of the Council and providing a buffer to deal with unexpected future issues. There would be a need to mitigate the forecast year end adverse variance if these had not been addressed, however the level of reserves would still be above the target level which the Council had set for ourselves.</p>	

The Leader welcomed the report and felt it demonstrated the Council's commitment to manage our financial resilience. The Leader hoped that Budget Holders would continue to work hard to eradicate the budget deficits to prevent using monies from the Council's reserves.

RESOLVED that the report be accepted and

- considered the impact of the £0.248m adverse variance for 2020/2021 would have on the budgeted contribution to the General Reserve; and
- the forecast decrease of the General Reserve in 2020/2021 to £6.387m, being 4.72% of net revenue expenditure (above the 4% target level) be noted.
- Continued to challenge budget overspends and implement appropriate service Action Plans, where required.

<p>No. 22</p>	<p><u>EDUCATION DIRECTORATE - RESPONSE TO COVID-19</u></p> <p>Consideration was given to the report of the Corporate Director Education.</p> <p>The Corporate Director Education advised that the report gave the Executive an opportunity to review the Education Directorate's response to the COVID-19 situation, particularly supporting the schools during the emergency period. The Corporate Director spoke to the report and outlined the work undertaken in conjunction with corporate colleagues and schools.</p> <p>The Corporate Director referred to the decision taken by Blaenau Gwent to move to remote learning from the 10th December 2020 and advised that this decision had been based upon evidence of infection rates in Blaenau Gwent. The Corporate Director added that Blaenau Gwent currently had the 3rd highest number of cases across Wales with 574 cases per 100,000. These figures had a significant impact on our schools with 19 out of 25 schools affected, 1300 pupils and 66 members of staff currently off school self-isolating.</p>	

These figures had significant impact on face to face learning, and therefore, there was a compelling rationale in moving to remote learning.

There was a strong political and professional support with unanimous support from head teachers. The Public Health Professor, Head of Public Protection and Disease Control have supported the approach adopted by Blaenau Gwent. The Corporate Director stated that the Authority would provide support to vulnerable learners and free school meals during this period.

It was reported that head teachers had felt that remote learning would be more effective in the current circumstances. The Corporate Director Education concluded that the decision to move to remote learning was a local decision based on the local situation, which was right at this time.

The Executive Member for Education wished to thank the Education Directorate for their outstanding response to the Covid-19 pandemic. The Executive Member concurred with comments raised by the Corporate Director and stated that the decision to move to blended learning was based on a strong rationale. The decision had received unanimous support from head teachers and had been particularly welcomed in the Tredegar cluster where schools had been closed due to the rise in infection. The Executive Member fully supported the decision taken by the Leadership of the Council and felt this was a good decision for Blaenau Gwent.

The Leader also supported the decision to move to blended learning across all schools in Blaenau Gwent and advised that it was not a decision which the Council had taken lightly. He felt that the Executive Member for Education and Corporate Director Education had taken a decision which was best for Blaenau Gwent. It had received unanimous support from across schools and had been welcomed by parents

RESOLVED that the report be accepted and the information contained therein be noted.

	<u>MONITORING ITEMS – SOCIAL SERVICES</u>	
No. 23	<u>UPDATE ON STRATEGY TO SAFELY REDUCE THE NUMBERS OF CHILDREN LOOKED AFTER</u> Consideration was given to the report of the Corporate Director Social Services. The Corporate Director Social Services advised that the report provided a progress update on the three-year strategy to safely reduce the numbers of looked after children. The Corporate Director noted since the strategy was introduced there has been a slow but steady decline in the numbers of Children Looked After from a high of 237 to 205 as at today. The Authority had successfully used additional funding from the Integrated Care Fund which had assisted in enhancing the Strategy and support our objectives of keeping families together and providing support to families on the edge of care. The strategy had been independently evaluated and was currently being refreshed for a new strategy in 2021. The Corporate Director added that the work undertaken had helped keep families together and also reduced the number of children being placed in residential care. This has helped the Children Services budget, however, legal costs remain high but we have re-opened discussions with a neighbouring local authorities on possible legal support. This work had received a great deal of positive feedback from staff and families. The Executive Member for Social Services welcomed the report which highlighted the positive work undertaken in Children Services and he wished to express his thanks to the Corporate Director, Head of Children Services and staff on the work behind this positive report. The Leader advised that there had been some speciesism received when these measures were taken some 3 years ago. The Council was far from complacent and there still was a great deal of work to be undertaken. However, the Strategy was now seeing results and the Leader had hoped that this work would continue. The Leader reiterated the comments raised in terms of the excellent work achieved in Children Services. The staff in Social Services and across the Council continue to work hard during the pandemic and the public are continually grateful. RESOLVED that the report be accepted and the information contained therein be noted.
