8.	<u>BUS EMERGENCY SCHEME (BES)</u>	
----	--	--

Consideration was given to the report of the Corporate Director Regeneration & Community Services.

The Corporate Director Regeneration and Community Services spoke to the report which provided an overview on progress of the Bus Emergency Scheme (BES) Phase 2. The response to the Covid-19 pandemic and the longer term arrangements to be entered into which would make the bus services more sustainable across Wales. The Corporate Director noted the journey undertaken to date and plans for BES2. The BES2 agreement formalised Welsh Government's commitment to supporting recovery of bus services following the impact of COVID-19. The Corporate Director advised that under the terms of the BES2 agreement operators would be required to provide bus services that met the local needs which would be obtained from the Lead Authority for region. This work would be undertaken on behalf of the communities of respective local authorities. The end date for the BES2 contract was 31st July 2022 which should allow enough time for revenues to recover following the pandemic.

The Corporate Director also outlined the funding responsibilities, directing the provision of services and the regional work being taken forward. He also outlined the results which was hoped to be achieved with BES2 and what it meant for bus operators which included a mechanism for managing the recovery and reshaping of bus services to respond to the impact of the pandemic.

The Corporate Director further referred to the options for consideration and noted the preferred option as detailed in the report.

In response to a question raised in relation to discussions undertaken at Scrutiny Committee, it was confirmed that Scrutiny Members supported the approach and long term benefits.

The Executive Member for Regeneration and Economic Development welcomed the report and progress being made through Transport for Wales which supported to the IRT. The project presented an opportunity to grow the services already in place to improve services across the region. It was hoped that it would also encourage people to use public transport.

The Executive Member for Social Services also welcomed the report and felt that the improved services would be beneficial for our communities. The Executive Member felt that from the Social Services perspective it would help people maximise their independence and develop mental health and wellbeing.

RESOLVED that the report be accepted and Option 1; namely Blaenau Gwent endorsed the contents of the report and supported the BES2 arrangements as part of a regional and Wales approach.

CARDIFF CAPITAL REGION CITY DEAL PERFORMANCE REVIEW 2020/21 QUARTER 1

Consideration was given to the report of the Managing Director and Head of Regeneration.

The Leader referred to the timeliness of the report and noted that the report provided information in relation to Quarter 1 which covered the period of April to June 2020. The Leader advised that whilst this Quarter highlighted a great deal of good work undertaken at that point in time there had also been a great deal of additional work.

The Leader added that he had raised these concerns with the Managing Director as more timely reports needed to be presented for consideration by the Executive and Scrutiny Committee. It was hoped that a more updated report would be drafted in the future to allow Elected Members and residents to have sight of the impact the City Deal had for Blaenau Gwent.

RESOLVED that the report be accepted and Option 1 be approved; namely the overall progress on the CCR programme of work for 2020/21 be considered.

10.	<p><u>CORPORATE COMMUNICATIONS STRATEGY PERFORMANCE MONITORING</u></p> <p>Consideration was given to the report of the Chief Officer Commercial.</p> <p>The Leader referred to the report which had been submitted to consider the performance of the Communications Strategy. The Leader felt that due to the Covid-19 Pandemic the Strategy had not fulfilled its potential, however he wished to commend the Corporate Communications Team on their work during the pandemic to ensure that information was available in the public domain.</p> <p>RESOLVED that the report be accepted and Option 1; namely that the performance of the Communication Strategy be noted, particularly on the impact of the strategy during COVID19 Pandemic. The period covered would be from March to September 2020.</p>

13. SICKNESS ABSENCE PERFORMANCE

Consideration was given to the report of the Head of Organisational Development.

The Head of Organisational Development noted the overall year end outturn figure for the Council of 13.91 days per full time equivalent employee - the figure would reduce to 13.48 days excluding Covid 19 sickness. These figures saw an increase from the previous year's outturn of 12.66 days and exceeds the target set of 11 days. The Officer advised that over the last three years that Council had sustained absence levels which exceeded 11 days' sickness absence per full time employee. The Head of Organisational Development further referred Members to the continued actions for managers which detailed a number of actions. Sickness absence performance was reported quarterly to Corporate Leadership Team and included as part of the Finance and Performance report to Members.

The Head of Organisational Development provided the current position in terms of sickness absence and advised that there was a drop in sickness for Quarter 1 with 2.49 days (2.21 excluding Covid) per full time employee which compared to 3.05 days for the same period last year. In terms of Quarter 2 4.83 (4.43 excluding Covid) days were reported compared to 5.96 days for the same period last year.

In conclusion the Head of Organisational Development advised that Directorates had reviewed the top 20 cases of sickness absence for their service area and that new Workforce Strategy would have a continued focus on workforce wellbeing.

The Leader referred to concerns brought forward by Members in terms of sickness absence performance reporting and felt that further discussions were needed at the appropriate time to introduce quarterly reporting to relevant scrutiny committees. He also said that it would be interesting to understand the impact home working had on reducing sickness absence levels.

Following discussions, it was agreed that more stringent quarterly reports be introduced for all Directorates for consideration by Executive and Scrutiny.

RESOLVED accordingly.

RESOLVED, subject to the foregoing that the report be accepted and Option 1; namely that Members having considered the sickness absence performance information and the ongoing actions to support improved attendance within the Council identify any further areas for improvement in order to drive forward performance improvement.
