

# ACTION PLAN TO SUPPORT POLICY STATEMENTS

The Policy Statements developed as part of the Litter and Fly-tipping Strategy are designed to demonstrate a clear commitment by the Council to focus on litter and fly-tipping and take decisive action within the resources available to it.

This Action Plan has been developed to identify key areas of activity that the Council can lead upon to help demonstrate commitment to the policies individually, as well as collectively to lead key stakeholders in delivering the Strategy over the next five years.

The actions developed have been grouped into short-term (one to two years), medium-term (two to three years) and long-term (three to five years). This overlap allows flexibility in adopting the actions within a work programme of an already busy service area. The Action Plan is presented according to the four themes identified within the Strategy.

#### **LEADERSHIP**

Blaenau Gwent Council is the Principal Litter Authority and arguably has the greatest responsibility for maintaining a clean local environment. The statutory powers afforded the Council mean local residents, businesses and visitors look to them for decisive action to tackle enviro-crime. It is therefore imperative the Council demonstrates strong leadership within the community and set the standards for others to follow.

In this role it is proposed that the Council identifies a lead officer and member to champion the fight against litter and fly-tipping. This is likely to be the Executive Member for the Environment as the portfolio for street cleansing currently rests in this area. The senior officer identified together with the Executive Member for the Environment will provide leadership and focus for the Litter and Fly-tipping Strategy, taking ownership of the Action Plan and the work programme contained within it.

The timetable for delivering the key actions identified in this Action Plan reflect the Litter & Flytipping Strategy period 2021-2026. In adopting the Action Plan the Council commits to developing a detailed annual work programme that delivers these key actions within the four identified themes.
