**PRESIDING MEMBER'S ANNOUNCEMENTS**

**Welcome**

A warm welcome was extended to Stephen Vickers, the Council's newly appointed Joint Chief Executive.

**Congratulations**

Congratulations were extended to:

- Pen-y-Cwm Special School who had received an encouraging Estyn Inspection report. The Head and Governors had been delighted with the positives highlighted by this inspection. A notable highlight from this report was that it had been recognised that Pen-y-Cwm was a highly inclusive school where staff made pupils feel welcome and valued and their successes and achievements were celebrated joyfully.

Pen-y-Cwm had also recently been accredited by Cymraeg Campus and they had been only the special school represented at the Youth Conference held at Swansea City Stadium the previous week.

- Kenny's Vinyl Vault of Abertillery for winning the 2024 Welsh Independent Retail Award for record shop of the year.

**Condolences**

Condolences were expressed to Councillor Wayne Hodgins on the sad passing of his mother.

Members and officers paid their respects with one minute's silence.

A condolence letter had been sent to Councillor Hodgins on behalf of the Council.

**MEMBERS QUESTIONS**

The following question was received from Councillor Wayne Hodgins, Leader of the Independent Group (presented by Councillor John Hill on the Group Leader's behalf) and was responded to by Councillor Haydn Trollope, Cabinet Member for People & Social Services.

**Question:**

"Following the headline in the press, can the Cabinet Member advise Council that if grants are not available from Welsh Government what the wider impact on social services will be?"

**Response:**

The Cabinet Member reported that Social Services was in receipt of a number of grants, not only to support the delivery of statutory services but also to support the delivery of preventative services such as Flying Start and Families First and the impact that cessation of these grants would have on Social Services, had been outlined to the Welsh Minister. It was noted that there were a number of grants that would only run to March 2025 i.e. Regional Integration Fund (RIF) and the Radical Reform Grant.

Currently, an assessment was being undertaken to evaluate the impact on Social Services, if these grants were to cease, the findings of which would be reported to the Scrutiny Committee in September/October. It was noted that if the grants were to cease, in particular, the Radical Reform Grant this would greatly impact the Welsh Government's transition towards not for profit care for children. The Cabinet Member concluded by stating that he was hopeful that these grants would not cease but would be received by local authorities via a reconfigured format.

Councillor G. Humphreys left the meeting at this juncture.

**Supplementary Question:**

"Would the Cabinet Member ensure reducing staff in the department will be avoided, even if a contribution from reserves has to be used?"

---

**Response:**

The Cabinet Member said that he would do his utmost to avoid reducing staffing levels. The Interim Corporate Director of Social Services added that if there was a requirement to make further cuts to Social Services, this would be implemented to ensure clarity around the impact and all would be done to mitigate the risks that would this inevitably bring.

The Interim Corporate Director advised in terms of the cessation of grants that she was hopeful that the grants that were due to cease in March 2025 would still be received by local authorities albeit via a different format and this was currently being closely monitored.
