Within the annual report it is highlighted where the Directorate has worked closely with the public to improve service delivery and user outcomes. Reporting provides the public with the opportunity to view progress of the Directorate and ensure accountability.

6.3 ***Involvement (consultation, engagement, participation)***

The Social Services and Well-being (Wales) Act 2014 looks to build and strengthen on existing arrangements by involving service users, carers and other key partners where possible in helping shape and influence future design of services.

- 6.6 ***Collaboration / partnership working***
Social Services work collaboratively across boundaries to benefit citizens requiring health and social care services across Gwent.
- 6.7 ***Integration (across service areas)***
The purpose of the SSWBA is to foster integration between Health and Social Services.
